PRESIDENT'S REPORT by Paul Goldsmith

The season presented some on field challenges with the men's club beginning to rebuild after the loss of some senior players across the grades from last season. While results were not quite what we hoped for we still had much to be proud of with 4 teams reaching the finals.

Our girl's Brewer Shield team narrowly lost the final and can be very proud of the season they had, their development into senior players will only strengthen the club. We also made the quarter-finals in Green Shield, 3rd Grade and 5th Grade. There were some standout individual performances but the strength of each team was in their team contributions.

These results speak to the hard work of our players, the commitment of our coaches, and the strong foundations we continue to build across all programs. On the topic of coaches, I'd like to thank Craig Noble for the many years of hard work he put in as the women's First Grade Coach. I hope you enjoy your cricket coaching retirement. Craig has been an integral part of the women's First Grade team for several years and has established a very positive culture for the girls to build on.

Congratulations to all players who earned representative honours this season. The club has always contributed to the age based and open representative teams and this season continued that proud tradition. There are too many to note here but check out the representative listing later on in the report.

Financially, we had a very positive season with an operating profit of $93k, this was up considerably on the previous season profit of $7k. This is a very pleasing result when we consider the ever-increasing costs managing a cricket club and the continued loss of the car park revenue. We are fortunate to have a dedicated committee who have worked hard to build on up our sponsorship revenue and this will continue to be a focus in the next few seasons. You can expect to be asked to support our valued sponsors as the season commences,

After a few years hiatus we once again held the annual Captains Lunch, our special guests this year included Mark Geyer and Kerry O'Keeffe. They were both wonderful guests and highly entertaining, and I look forward to the next one to be held in February 2027. These events take a lot of hard work and I'd like to thank Leanne North, Geoff Sullivan, Cam McLean and Wyatt North for their assistance.

I want to express my sincere thanks to our passionate coaching group for their time, dedication, and commitment to our players. Their influence extends well beyond match days, and we are fortunate to have such a passionate and knowledgeable group guiding our teams.

No club can succeed without a small army of volunteers who do all the work behind the scenes and ask for nothing in return. We are fortunate to have a wonderful support group and I would

like to thank all of them for their contribution to the club. Without meaning to exclude anyone, I would like to make special mention of Barry Clarence, Chris Hicks, Lorraine Morris, Steve Darby, Katrina Hood, Greg Dowden, Craig Batty and Jean Martin for your continued service and generosity.

To my fellow committee members, thank you for your professionalism, dedication, and the countless hours you contribute beyond your formal roles. This club simply does not function without a committed team working tirelessly behind the scenes, and I am grateful for the passion and integrity you bring to your work. I am stepping down as President after 14 seasons and do so with absolute confidence that we have a highly functional committee who will continue to do a great job managing the interests of the club and its players.

We have much to be excited about. We are rebuilding well and have a talented group of young players and laying the foundations for long-term success. At the same time, we face challenges with player retention, with other clubs seeking to attract our players with financial offers we cannot match. Our focus will remain firmly on nurturing and retaining our local juniors — an approach that has served us well for generations and will continue to do so.

Regards
Paul Goldsmith

MEN's CRICKET MANAGER'S REPORT by Matthew Halse

Whilst season 2025/26 provided its challenges in terms of on field results, the club as a whole continued on the path set out prior to the last season. We again lost some senior players from both the higher and lower grades, this provided opportunity to our next wave of players coming through. We continued to build on our "Club First" mentality and whilst the results were not quite there at the beginning of the season, we saw the fruits of this post Christmas.

The first grade team has seen a big change in personnel over the last few years and this season we didn't quite have the depth to cover these changes. We did see some very pleasing performances from some of our younger leaders at the club, in Jordy Watson and Liam Doddrell, the latter was reward with an extended run in the NSW 2nd XI at the back end of the season. We also saw the emergence of Harry Roscarel and Jack Jobson, two young players new to the club who both showed glimpses of what they can add into the future.

Daniel Beatty and his third grade team made a stunning charge to the finals after a slow start and pushed the minor premiers all the way in the Qualifying final. It was most pleasing to see momentum and camaraderie build in this team as the season went on. The team played in the image of their captain. Dan had a magnificent season individually and as a leader. He has had such a positive impact on the club in a very short space of time and his presence will be missed next season as he returns home to Queensland. We look forward to working with him in his new role as President of the University of Queensland Cricket Club.

The fifth grade team led by Tim Kennaugh had a really strong season finishing in fifth position. They played a very strong and experienced Fairfield-Liverpool team in the Qualifying Final, pushing them all the way, eventually going down by two wickets.

Our Metro Cup team finished three points outside the finals, weather intervening in the last game of the regular season with the team in a strong position to get the win they needed.

Brendon Vella took the coaching reins of the Green Shield team this season and the boys overcame a slow start to the competition to make a Quarter Final.

All in all, this indicates that we have a lot of young talent coming through and this has always been the key to the club rejuvenating and continuing to climb the club championship ladder. Our journey back to the top of this ladder may not necessarily be linear, but if we continue to nurture and foster the talent coming through and sprinkle in the right experience, I have no doubt our overall trajectory will be in the right direction.

A big thank you to our coaching staff led by Warren Buttigieg and Shannon Finemore. The number of coaches we have available continues to be a strength and we are starting to reap the results of this.

David Taylor stepped into the Independent Selection role this season and did a fantastic job. This is always a thankless task, keeping track of the ins and outs and needs of different teams, all whilst trying to pick balanced cricket teams.

A big thank you to all our team captains for the time, energy and leadership you put into your roles. We should also shout out the older, experienced heads who in particular added knowledge and supported our captains in the lower grades. Peter Gott and Bryan Morris are great examples but there were others.

To my fellow committee members and numerous other club volunteers, a big thank you. So many good things are happening at a committee level, driven by good people who are dedicated to improving the club.

Onwards and upwards for season 2026/27.

FIRST GRADE by Ryan Gibson

The 2025/26 season saw Penrith 1st Grade finish 17th out of 20, which on paper isn't where we want to be — but that doesn't tell the full story of the group.

This was a young side that, at times, showed its inexperience. We blooded a number of debutants throughout the season, welcoming them into the Penrith brotherhood, and that's a big positive for the long-term future of the club. These players weren't just filling spots — they contributed and showed they belong at this level.

Across the season, there were multiple games where we had the opposition under pressure and in positions where we should have won. The reality is, we didn't finish those games. Whether it was with the bat, ball, or in key moments in the field, we lacked the composure and killer instinct required to close out matches. That's the difference between sitting near the bottom and pushing into finals contention. It's an area that needs to improve.

That said, the upside is clear. The group has genuine talent and, more importantly, there's a core of young players coming through who will only get better with experience. If this team can learn how to win the critical moments, there's no reason it can't climb the table quickly in the coming seasons.

A big thank you goes to coach Shannon for his commitment and effort throughout the year, as well as to Lorraine for her work as scorer. Thank you also to the Gibson family for consistently providing afternoon teas — those contributions don't go unnoticed and are a big part of what makes the club what it is.

Finally, a special mention to veteran Nick Adams, who has announced his retirement at the conclusion of this season. Nick's contribution to the club over many years has been significant, both on and off the field. His experience, leadership, and commitment have set a standard for those around him, and he leaves with the respect of teammates and the broader club. He will be a big loss, but his impact will remain.

The foundation is there. Now it's about turning potential into results.

SECOND GRADE by Michael Collins

Coming into the 2025/26 season, a series of unforeseen player movements and pre-season injuries disrupted preparations leading into Round 1. However, the return of Ben Tracey after several seasons at Randy Petes, alongside Charlie "Bev" Griffith following his stint in Tasmania, and Harry Roscarel committing to a full season, provided a strong boost to the group. New additions Jack Jobson, Jayant Mepani, and Sukhwant Sabharwal further strengthened what remained a young and developing squad. After finishing last season strongly, there was genuine anticipation around building momentum and pushing for finals across all grades.

The campaign began with a pair of T20 fixtures, where the bowling unit set the tone early, restricting Mosman to under a run a ball. Charlie Griffith wasted no time making an impact on his return, producing a blistering 76 from 44 deliveries in a commanding run chase. Unfortunately, we were unable to build on that promising start. A difficult stretch through October and November, marked by inconsistent availability and ongoing injury challenges, resulted in a run of losses that effectively ended our finals hopes early in the season. Frequent changes to the XI made it difficult to establish continuity, and highlights were limited during this period. That said, Harry Roscarel's outstanding century against Sutherland in Round 6 stood out — a composed and authoritative 104 from 164 balls, showcasing classical red-ball batting at its best.

It wasn't until Round 10 that we were able to sing the team song again, following a hard-fought 8-run victory over Gordon in what was arguably our most complete performance of the season. The following week, we carried that momentum into the final match before Christmas, delivering a dominant bonus-point win over our northern neighbours, Hawkesbury, to close out

2025 on a high. Chris de Kretser was instrumental across both matches, contributing scores of 88 off 91 balls and an unbeaten 58 off 65.

With momentum building and two-day cricket returning after the break, the back half of the season showed encouraging signs. While weather interruptions impacted several fixtures, the group rallied well, recording four wins and just one loss across Rounds 10–16. Despite the late-season improvement, our final position almost mirrored that of the previous year, finishing 16th with a record of five wins, nine losses, one draw, and one no-result.

Congratulations to Riley Brandl, Jack Jobson, Jayant Mepani, Sukhwant Sabharwal, Ray Dent, and Damon Myburgh-Sisam for making their 2nd Grade debuts this season. It's always rewarding to see players debuting in 1st Grade, with James Lennox, Jack Jobson, Jayant Mepani, Harry Roscarel, and Alex Kerkham all presented with their black baggy — congrats, boys!

Player Reviews

Charlie Griffith

Bev returned from Tassie and was quick to get back into the swing of things with his quickfire 76 (44) in Round 1, before a run of small scores unfortunately followed. While there were glimpses of Charlie cracking games open, he was unable to recapture the form he's capable of. If he can harness the balance between aggression and decision-making, the big scores will return. You can't question Charlie's work ethic — he's a consistent and tireless role model at training.

Callan Kean

After a few games starting in 2s, Cal strung a run of matches together in 1s before rounding out the season with us. Without Crack driving the energy this season, Cal stood up, taking on the captaincy for a couple of rounds. He was the catalyst for getting the boys upbeat on the field and at training. He may not have produced the run tally he hoped for, but there's plenty left in the bank for the rest of his career.

Harry Roscarel

Following a taste of grade cricket last season, there was excitement around having Harry with us full-time. Splitting his season between 1s and 2s, he displayed fearless confidence at the crease and is an elite athlete in the field. His 104 and 77 against Sutherland and Easts were prime examples of his calm presence and 360-degree stroke play. Hitting his first 50 in 1s in the final round, it certainly won't be his last milestone in the top grade — he is a definite future talent.

Scott Jobling

Backing up a breakout season can be challenging, and after an inconsistent start, Jobbers didn't quite catch fire as he would have hoped. His 51 against Manly to dig us out of a hole was the highlight, and he made decent contributions in his handful of games in 3s and 4s. As he heads off for the English summer, hopefully he can recapture his passion for posting big scores.

James Lennox

Once again, Jet was one of our mainstays in 2s, and they'll never be able to take away his 1s debut wicket — dismissing esteemed first-class opener Daniel Hughes. Over the past couple of seasons, Jimmy has been trying to find the balance between bat and ball, and it probably flipped a little this season with more batting opportunities. Our second-highest run-scorer and wicket-taker, Jimmy was consistent across the season and regularly contributed.

Jack Jobson

Joining the Cats in the off-season after an impressive year with Wests, JJ fitted in seamlessly and has a long 1st Grade career ahead of him. Still a youngster, he is calm, technically sound with the bat, and clean with the gloves. He had a few starts and played a lone hand against North Sydney with a mature 87, falling agonisingly short of three figures. JJ has a big future and will continue to grow in confidence next season.

Zac Rizzo

Starting the year in 1s and with a few weddings interrupting his schedule, Rizzo rounded out the second half of the season with us. He showed late glimpses with the bat, showcasing the potential we all know he has. Always putting his hand up to bowl the tough overs, he often doesn't get the wicket reward he deserves. A livewire in the field, there aren't many better than Rizz under a high ball.

Cooper McLean

Coop settled in and completed a full season in 2nd Grade, finishing as our leading wicket-taker. His best figures — 4/3 off 2 overs against Hawkesbury — were outstanding. He found more comfort in the white-ball format this season, and while red-ball wickets were harder to come by, he continues to build his craft. A hard worker, he puts effort into all three facets of the game.

Alex Kerkham

Previous seasons haven't been kind to Kerko, with injuries hampering his progress, so it was pleasing to have him back and charging in off the long run. Still finding his rhythm as he grows into his body, he will continue to progress over the coming seasons. His closing overs against Gordon were calm under pressure and contributed to a memorable win. Finishing the year with a 1st Grade debut, I look forward to seeing Kerko blowing stumps out next season.

Ben Tracey

It was great to have Benny back, bringing amazing energy to the group. He was integral to our turnaround in form and has a competitiveness that is unmatched. He loves the battle with ball in hand and was just finding his batting form when tragedy struck — dislocating his "good" shoulder. The ball he hit when injured was sent sailing over the pickets for six! Fingers crossed for a smooth rehab; we hope to see Ben back soon.

Jayant Mepani

Jay was a surprise packet when he appeared in the pre-season. Small in stature but a fierce competitor, his guile with the ball left batters scratching their heads. A crafty left-arm tweaker, Kenny has great control and arrived with a strong résumé. He made an immediate impression. Not many batters gained an advantage over Jay, and he's lightning in the field. After spending time with family post-Christmas, we hope to see plenty more of him next season.

Murray Staines

It was a tricky season for Muzz to gain consistency as he moved between 2s and 3s. A humble character, he was happy to slot into the order wherever needed. His season highlight was an impressive 60 against a strong Easts attack. Ever the team man, he made the weekly hike from Lithgow and always wore his heart on his sleeve.

Clayton Telfer

The ever-reliable Telf spent most of the season in 1st Grade, which was just reward after years of hard work in 2s. You always know what you're getting with Telf, and he remains a first point of call for me as a sounding board in the field. Consistent with the gloves, he even snuck in a couple of beautifully economical overs in the final game of the season.

M**ax Becker**

While I would have loved to have Maxy in our side more often, he earned the right to play a significant number of 1st Grade games this season. In his handful of 2nd Grade appearances, he showed his class with bat and ball, along with exemplary leadership — taking the reins as skipper for a couple of rounds. Max deservedly earned his 1s spot back and took the opportunity with both hands, finishing the season with five 50s, three of those in the top grade.

Will Hicks

Hixxy started the year consistently and was a key contributor in every game he played. Returning from a shoulder injury, he showed great competitiveness and continues to strengthen his bowling craft. Gaining an extra yard of pace, he played the back end of the season in 3rd Grade to give them the best chance of going deep into finals. Looking forward to seeing him return bigger and stronger next season.

Riley Brandl

After topping the wicket tally last season, we were excited to blood Brandy into the 2nd Grade squad, and he really came into his own in the red-ball format. His bowling is metronomic, and I rate his performance against Easts extremely highly. Riley is the type of seamer any bowler would love to partner with — hitting a consistent spot and building pressure. He may have lost a bit of confidence late in the season, but he'll be back to smashing stumps next year.

I would also like to acknowledge the other members of our 2nd Grade squad this season: Liam Devaney, Chase Hayward, Sukhwant Sabharwal, Ryan Freeman, Ray Dent, Chris de Kretser, Brendon Vella, and Damon Myburgh-Sisam. Thank you all — it's always enjoyable leading you around the park, and I've appreciated your continued efforts, even when finals were out of reach.

Geoff Thornton and Rob Jobling were their usual helpful selves, providing scoring assistance once again this season — the boys are always very thankful to you both. Thanks also to Camo for his work preparing Howell throughout the season. To our club committee members: much of your work goes unseen, but the playing group is truly appreciative of everything you do to ensure we can train and play each week.

Another year, another gold medal for Howell Oval chicken burgers. It would be remiss of me not to thank Sully, Goldy, Leanne, and Cam for everything you do on game days. We thoroughly appreciate the hospitality you provide to our group, the opposition, and the umpires/scorers each week. Every visitor leaves praising our club, and you all play a huge part in that.

It was a challenging season that ebbed and flowed, and while we may have a smaller coaching group than most clubs, thank you to all our coaches for your dedication, passion, and drive. Thank you to my fellow captains for your tireless efforts — I always enjoy the dynamic conversations and range of ideas that come forward. Congratulations to our 3rd Grade, 5th Grade, and Green Shield squads for making finals, and to our Brewer Shield side for falling just short in a mighty close Grand Final after a stellar season. To the entire Men's and Women's playing group: thank you for representing the Penrith badge with pride and perseverance. As our young squads continue to build in age, experience, confidence, and competitiveness, the individual and team successes will follow.

THIRD GRADE

by Daniel Beatty

Well, what a blur that season was. Where do I begin?

Firstly, I want to say thank you. Thank you to everyone involved with the Penrith Cricket Club who gave a random guy from QLD the opportunity to give back to the game he loves and lead a group of young men for the 2025/26 season. You took a risk placing me in that position, and I hope I've been able to repay the faith.

I remember mentioning to a few people at the start of the season that it's very, very risky to use "winning games" as your only metric for measuring the overall success of a cricket team. Sure — it's a pretty good one, but cricket is about much more than that to me. It's about the mates you make; it's about consistently challenging yourself and looking to improve; and most importantly, it's about playing the game in the right spirit. If you take all of these holistic metrics into consideration, then it's fair to say that the Panthers 3rd Grade side had an exceptional year.

It was a bumpy start to the season — a sole T20 win and four losses had us sitting dead last after five rounds. It was pretty bleak (and a little bit humbling, if I'm honest), but the only way was up. And up we went. Slowly but surely, we navigated our way back up the ladder, and by the completion of the final round we found ourselves sitting in sixth position, securing a spot in the finals. A remarkable achievement and something the whole playing group — and the club in general — should be proud of.

Unfortunately, the cricket gods had other plans for us during our QF match against first-placed Wests at Pratten Park, with the team ultimately losing by one wicket late on the Sunday afternoon. As I said earlier, winning isn't the only measure of success in my book, and the whole team can hold their heads high and be exceptionally proud of the season they had.

We started the season as a real team of individuals and finished the year as an individual team (read that again). And that right there is my greatest achievement. The final game of the season in particular made me so proud. It was a culmination of everything we had achieved and worked on as a group throughout the season, but unfortunately we weren't quite able to seize the little moments on the day, and the opposition snuck away with victory.

I've made a concerted effort not to mention individual players or matches, as I wanted my message here to be group-focused. However, I do feel the need to formally recognise Wyatt North and Ray Dent, who topped the entire competition for wickets and dismissals respectively at the conclusion of the regular season's fixtures. Well done, gentlemen.

As I officially sign off on my time with the Penrith Cricket Club, I want to leave one final message for the players (if you know, you know).
Job's not finished, boys — stick together, keep improving, enjoy each other's company, always play the game in the right spirit, and then go and get yourselves that premiership you deserve.
#KOBE

FOURTH GRADE **by Taran Finemore**

I'd like to begin by acknowledging the great seasons had by Dan Beatty's 3s (6th, Qualifying Finals), Tim Kennaugh's 5s (6th, Qualifying Finals), Aarush Thakur's Greenies (6th, Quarter Finals), and Chris Xuereb's Metros (7th, missing finals by a last-round draw).

To kick off the thank-yous, I'll start with the long list of volunteers who helped behind the scenes in and around the club: Geoff Sullivan, Leanne North, and the rest of the committee for doing the hard yards behind the scenes. Greg Dowden, thank you for your assistance with scoring at Bill Ball, and to Lorraine Morris for her diligence managing our scorebooks. A shout-out to the parents, family, partners, and friends who cheered us on, drove our young team around Sydney, and assisted with canteen duties and clean-up at Bill Ball. Apologies to any supporters missed — call me out next time you see me.

Thank you to the coaching team: Warren Buttigieg, Shannon Finemore, Brendon Vella, Tim Sutton, Tim Whiticker, Trent Weir, Peter Betros, and Chris Hicks. Your continuous commitment to elevating the club doesn't go unseen. David Taylor, thank you for your efforts tackling selections this season, and to Matt Halse for stepping in to support with selections as well. To my fellow captains — Ryan Gibson, Michael Collins, Daniel Beatty, Tim Kennaugh, and Chris Xuereb — it's been a tough season, but you can all be proud of the work you've put in both behind the scenes and on the field for your sides. Thank you again to Dave Hinkley for his work at Bill Ball Oval, which was significantly better than this season's ground rankings suggest.

Well, what a difference a handful of wickets can make in a season. 4s walked off the field on multiple occasions narrowly losing by a wicket or two — often down to a half-chance, one more good set of six, or one more partnership with the bat. With many players returning from the previous season, I had very high hopes for the summer. Those hopes were vindicated around Christmas and beyond, with some exceptional wins off the back of great team efforts. The

bonus-point wins against Gordon and Hawkesbury, and the last-wicket partnership thriller against UTS North Sydney, were some of the standout games of the season — juxtaposed against some tough defeats that reminded us there is still work to do. This young mob isn't far away from a season to remember.

Player Acknowledgements

Ashton Russell — the Pillar.

Here's a young cricketer who took the lessons of last season and got into his work quickly. In only a handful of games for 4s, Ashton put together 203 runs at 40, including a maiden 4th Grade ton against Sydney, earning him a call-up to 3s. Ashton continues to be a consistent and reliable teammate both on and off the field, and is a leader in the making.

Brendon Vella

Brendon continues his tradition of appearing from the void and onto the club roster mid-season, sliding into 4s to provide valuable leadership and support. The Falcon has lost none of his fire and even filled in admirably for 2s to close out the season.

Damon Myburgh-Sisam

A welcome sight and great addition to the club this season. Returning after a few seasons away, the Mamba found himself reliably moving between 2s, 3s, and 4s, providing leadership, a safe pair of hands, and consistency with the ball. The Hawks had no clue when he spun his way to 6/22 at Bill Ball — one of the top highlights of the season.

Ekam Bhambra

An early call-up into the side, untested but fearless. After gutsy and chirpy knocks like his 32 against Easts, and a momentum-swinging 4/26 against the Lions, you'd be forgiven for not knowing he still has another season of Greenies to come. Eke has all the makings of a tough competitor.

Fred "6 7" Bell

Fred put his raw talent on display several times this season, catapulting into 4s after a first-round T20 knock that Mosman will be having nightmares about for some time. He notched up three 50s across 3s, 4s, and 5s, showing he was never out of his depth. Fred is the definition of a confidence player and will only grow more devastating as he matures.

Jesse Shandler

A big growth season for Jesse. He bowled many sharp spells that were unlucky not to snare more wickets. Beating the bat regularly and shortening up uncertain batters, Jesse will find as he progresses up the grades that his toils will be rewarded. But one suspects he'll most remember his match-changing, clutch 41* against UTS North Sydney — maybe even more than his match-sealing 4-fa against a tormented Ghosts side.

Kevin “Unc” Pathirane

Unc gave us safety, a sure pair of hands, and the comfort of calm. He provided a highlights package of cuts and sweeps on the regular, with a few speckies in the field for good measure. A reliable man off the field, Kevin is a great presence around the team and one we hope to enjoy for seasons to come.

Matthew Hamilton

Hammo built on his previous season with an exceptional one this time around. Taking wickets with ease, he found his way into 3s where he proved equally capable. A respectable 25 wickets across 3s and 4s, and ever reliable on the scoring pad, Hammo will no doubt be most proud of not being dismissed with the bat this season in 4s — leaving him in contention for that long-dreamed-about batting promotion, the aspiration of any true No. 11.

Riley Killeen

Riley impressed all season with the gloves and continues to mature as a player as he finds his voice behind the stumps. While his peers may remember this as the season Riley lost his breakfast every second game, his numbers with the bat — 323 at 29.4 — speak to his growing competency at the top of the order, as his on-brand cover drives and cut shots become more refined with every knock.

Veni Sharma (Vish, Vishal)

Veni grew his legacy both on and off the field this season. Intertwined with his off-field tales — including such hits as his multiple attempts to secure a driver’s licence — Veni excelled with the ball, including a 6-fa against Easts and two 4-fas. Vish often demonstrated his knack for breaking partnerships and finding wickets. Building on his tireless work at training, he threatened a big match-winning innings multiple times, putting together starts that will one day become the big score he’s capable of.

We had quite the extended squad this season, so honourable mentions go to Lachlan Hood, Leo Astill, Rahil Prajapati, Saarim “the OG” Ghias, and Saarim Murad, who all spent significant time in the team and were integral to the playing group’s experience. Also to William Bell, Shubh Darji, Liam Devaney, Josh Dowd, Ryan Freeman, Mark “Funky” Gardner, Zorawar “Josh” Goraya, Finbar Hicks, Scott Jobling, Bryan Morris, Tom Muir, Norris Singh, Archer Sproule, Tim Sutton, and Adil Tariq, who all chipped in with welcomed appearances this season.

And finally, to a man who before the season was looking at the possibility of never playing sport — let alone cricket. Adam Burton, first as a team manager and cricket whisperer, and then as a remarkable comeback cricketer, stands as an important reminder to savour every minute of your sporting journey, as with life, as much as you can. It was a gift to have you back on the field again.

P for Perseverance, Panther fans.

FIFTH GRADE — by Tim Kennaugh

As a first-year captain at any level, leading the 5th Grade team this year was one of the most challenging yet rewarding opportunities I've had in my cricketing life. I sat down with the group before Round One and we set a clear goal: play finals cricket. To achieve this, we needed to stay connected throughout the year, buy into the collective objective, and support each other through any obstacle the 16-round season would present.

Starting the year with two T20 games was unfamiliar for everyone, but we knew that to reach our goal, we needed to start well. Ending the T20 series with a win and a final-ball loss gave every player belief that we were a competitive team. Following these two games, longer-form cricket began and our mindsets shifted — bringing new challenges and plenty of success.

From Rounds 1 to 11, the team sat at six wins, four losses, and a washout. Key learnings throughout the first half of the season were resilience, enthusiasm, and ownership of your cricket. These three areas were major points of improvement and proved vital in our success against teams such as Manly, Sydney, and Mosman. Thanks to our relentless attitude leading into Christmas, the team was in a prime position for a second-half push toward finals.

Starting post-Christmas with an abandoned two-day fixture against St George wasn't how we expected to resume. However, the remaining four rounds — against North Sydney, Campbelltown, Bankstown, and Blacktown — were all wins. As a result, our young team ended the regular season in 5th position, full of confidence and proud to have achieved our Round One goal of playing finals cricket.

Quarter Final

Our regular-season success earned us a significant challenge: a Quarter Final against an extremely experienced Fairfield side. As a collective, we discussed challenges, counterattacks,

and plans to give ourselves the best chance to progress. We knew that at Rosedale Oval, runs were the greatest currency — but as always, our well-rounded team would put up a fight.

Batting first, we set 167, with Lachlan Hood (57) and Archer Sproule (32) digging in to provide a competitive total. Unfortunately, after a tough two days, Fairfield chased down the target with two wickets in hand.

With this loss, our strong season came to an end. For a team that varied in experience and consistently dealt with week-to-week changes, I couldn't be prouder of my 27-man squad. The development and dedication this group showed will serve them well as they continue their cricketing journeys.

Individual Player Highlights

Fred Bell

Although 5th Grade was only a temporary home for Fred, he began what became a highly successful season with an outstanding 86 in Round 1 vs Mosman — a well-deserved start for a talented young cricketer.

Lachlan Hood

Lachlan had an excellent year with the bat and contributed consistently with the ball in every 5th Grade appearance. He proved to be one of our most vital players, highlighted by his 112* in Round 3 vs Sydney, 69 in Round 14 vs Bankstown, and 57 in the Quarter Final vs Fairfield.

Finbar Hicks

When called upon to wicket-keep for the first time in a few seasons, Fin made it look effortless. He worked hard every session to give everything he could to 5th Grade, and it paid off. His standout performances included 87* in Round 3 vs Sydney and 111 in Round 15 vs Bankstown. Not even a broken finger could stop him from contributing.

Archer Sproule

From being given an opportunity in Round 5 to becoming a reliable middle-order rock, Archer showed the right attitude from day one. He bought into the 5th Grade culture immediately and demonstrated that patience and hard work bring rewards. His 66* in Round 5 vs Manly and 55 in Round 9 vs Randwick Petersham — both top-eight sides — were key innings.

Nathan Jenkins

Nathan brought tremendous energy to the team both on and off the field. His positivity and never-say-die attitude gave us an edge over any opposition. He was never short of a sharp comment, keeping everyone on their toes. His 64 in Round 6 vs Sutherland helped secure an outright win and boosted our confidence even further.

Ryan Burfitt

A player who made the number-three position his own. Ryan had a unique ability to find the boundary and release pressure at crucial moments. His quiet demeanour and easygoing nature, paired with a powerful bat swing, were on full display with his 68* in Round 7 vs Western Suburbs and 62* in Round 14 vs Campbelltown. Continued success is undoubtedly ahead for him.

Leo Astill

Despite only playing a few rounds in 5th Grade, Leo made an immediate impact. In his first match with the team, he blasted 104 in Round 10 vs Gordon. His presence in the field added even more excitement to having him in the side.

Peter Gott

The veteran showcased his class and experience week in and week out. Without Gotty's influence, this 5th Grade setup would have looked very different. A major highlight came in Round 10 vs Gordon, where he claimed 5/15 and simultaneously reached the milestone of 300 Penrith Grade wickets.

Shubh Darji

In his first season of grade cricket, Shubh was superb. He grew each game as both a bowler and a player. Shubh became our secret weapon — he always knew his plan, set his fields with clarity, and executed with precision. He achieved his first major grade milestone with 5/49 in Round 16 vs Blacktown. With continued growth, hard work, and commitment, Shubh will earn many more accolades in grade cricket.

Finally, I would like to thank all the parents and support staff across the club who gave this team the platform to succeed. Special mention to Bryan Morris, Katrina and Daniel Hood, Chris Hicks, Ben Burfitt, Grant Sproule, Neil Jenkins, Graeme Muir, and many others for their ongoing support and guidance throughout the season. You are all unspoken pillars of this 5th Grade team and played a crucial role in our success.

I have enjoyed every minute of captaining this team and am incredibly grateful for the opportunity to lead this group and represent the Panthers with pride.

COLTS - METROPOLITAN CUP

by Chris Xuereb

A season of potential. It promised so much, but in the end didn't deliver what it should have. We had some fantastic individual performances, and we improved as a team. Twenty-nine players represented the "Mighty Metros" during the season, but at no stage did this detract from the individuals performing as a team.

The team was full of young cricketers, most of whom played Green Shield over Christmas. There were many occasions where players came straight from junior cricket games to play in the afternoon. Despite this, there were numerous outstanding individual performances.

The game against Mosman — an outright win — clearly demonstrated the potential these young men have. The bowling and fielding were outstanding, and in our second innings, where we needed a lot of runs in a hurry, our young batsmen stepped up and showed their ability, giving us an easy victory.

We fell short of playing finals in the last two rounds. Needing to win one of our last two matches, both games were affected by weather and ended in draws, despite us being in strong winning positions. This left us finishing in 7th place.

Once again, we showed our club's playing group has fantastic depth. Throughout the season, players were drawn from our Metro side to fill Premier Cricket grades, and our train-on squad stepped up to play for Metros when needed.

I would like to thank **Barry Clarence** for his efforts as Metros Manager this year — your support and wisdom were greatly appreciated.

Bryan Morris, aka Borris, stepped into Metros to captain for a few rounds and enjoyed it so much he stayed for the season. Thank you, Borris, for the exquisite banter and your fierce competitive nature.

To the silent heroes — the mums and dads — thank you for your wonderful support throughout the season. Scoring, umpiring, afternoon tea, and simply being there made a huge difference to the team.

To **Goldie, Sully, Lorraine, Wyatt**, and **Cam** — thank you for all your help. Your efforts are always appreciated.

Notable Performances

Round 1 – UNSW

- Chris Xuereb – 85*
- Joel Buttigieg – 3/50 off 7

Round 2 – St George

- Aksh Patel – 72

Round 3 – Sydney

- Aarush Thakur – 118
- Ryan Burfitt – 83
- Aaryan Dasari – 3/37 off 6.3

Round 4

- Fletcher Russell – 65
- Cooper Hegarty – 3/55 off 18

Round 5 – Blacktown

- Nathan Jenkins – 76*
- Aniket Tamhankar – 3/20 off 8

Round 6 – Hawkesbury

- Fletcher Russell – 97
- Bryan Morris – 5/48 off 18
- Prince Shah – 3/40 off 20

Round 7 – Auburn

- Aksh Patel – 53*
- Prince Shah – 5/6 off 5

Round 8 – Norwest Hurricanes

- Aksh Patel – 79
- Nadil Jayakody – 53
- Tom Muir – 4/37 off 10
- Aaryan Dasari – 3/10 off 5

Round 9 – Sydney University

- Prince Shah – 4/25 off 10

Round 10 – Sutherland

- Fletcher Russell – 87
- Aniket Tamhankar – 68
- Bryan Morris – 3/55 off 10

Round 11 – Fairfield-Liverpool

- Ronnie Rastogi – 61

Round 13 – Mosman

- Prince Shah – 4/15 off 9
- Prince Shah – 3/50 off 18

Round 15 – Randwick-Petersham Gold

- Bryan Morris – 60

- Chris Xuereb – 70*
- Norris Singh – 4/8 off 4

POIDEVIN-GRAY by Isaac Nicholls

The 2025/26 PG's season brought six games for our boys. Across these six rounds we shared plenty of great moments as a team, and I am very thankful to the committee and coaches for backing me and allowing me the opportunity to captain this group.

In Round 1 against ND's, we played our first home game of the season, unfortunately going down by 32 runs.

ND's: 8/149, Penrith: 8/117

Round 2 saw us travel to Sydney University aiming to kickstart our season. A final-ball heroic effort from Ray Dent — hitting a six to win the game — secured our first points of the campaign.

Sydney Uni: 10/134, Penrith: 4/135

In Round 3, we played our first One-Day game of the season against a strong Randy Petes outfit. We kept them to a chasable total and took the game down to the wire, but Randwick held on, leaving us 16 runs short.

Randy Petes: 7/256, Penrith: 8/240

Round 4 was a must-win clash away to St George. Sent into the field, we had St George under pressure for most of the innings, with James Lennox grabbing 4 wickets in his 10 overs. We bowled them out for 220, but despite taking the chase deep, we fell short by 67 runs.

St George: 10/220, Penrith: 10/153

In Round 5 against Campbelltown, we batted first and, thanks to some strong partnerships at the back end, posted a competitive total. Playing one of our better games of the season in the field, we pushed Campbelltown all the way but ultimately fell four wickets short.

Penrith: 7/187, Campbelltown: 6/188

Our final game of the season came against eventual minor premiers Sutherland, where we aimed to finish on a high. After 50 overs in the field, Sutherland accelerated late to post 278. We fought hard in the chase, but Sutherland proved too strong, winning by 179 runs.

Sutherland: 7/278, Penrith: 10/99

Across the campaign, what stood out most to me was the way the team supported one another regardless of results. While many challenges came our way, everyone tackled them head-on and created opportunities to improve their game. Overall, the 2025/26 season was a great journey for our squad and showcased the depth of talent coming through Penrith's ranks.

A big thank you to **Daniel Beatty, Kaine Balgowan, and Chris De Kretser** for all their help with coaching throughout the season.

LOU BENAUD CUP

By John Benaud

Forever and a day, the toughest challenges facing any cricketer has been the temperament test; you know, the game plan, understanding it, why it's in place, sticking with it, and, or, when the going gets tough, why it's time to consider plan B. Or, even C. Sort of thinking on your feet, or grabbing the initiative.

In this modern age of 3-Crickets, Test, Lo-50, and T-20—maybe four if we count Baz-ball—the technique options that can influence the very young cricketer make tactical preparation daunting, compared with the old days when the longer form of the game held sway. Then steadiness came before swashbuckling. These days it's more swashbuckling or bust.

So, it was interesting that the 13th playing of the annual Lou Benaud Cup, 50 overs a side, saw both teams engage in a blast from the past, not a 'blast' as in England's t20. Old fashioned cricket, I guess, which in terms of technique development certainly gives young cricketers a better foundation to cope with an inevitably changing style later in their careers.

After winning the toss in sunshine at Parramatta's heritage oval, Old Kings, a pitch and outfield still slowish with "wintery coat", Penrith lost only one wicket in the first ten overs in making 35; at 30 overs it was 4/99 then a rickety 7/135 at 40, top-scorer Fletcher Russell (26/60 balls) providing much needed defiance. In a total of 183 (batted the 50) all the boys but two got starts into double figures, but, only three went past 20. The final total was made competitive by an enterprising last wicket stand of 39 (48 balls) by fast bowlers Aaryan Dasari (19 not out) and Jainam Hingu (18).

Parramatta's reply was a mirror image, although at a slightly quicker run rate (2 for 40 after 10 overs) and at 20 overs they were 3/78, but at 30 (5/115) struggling to cope with the Penrith spin twins Ekam Bhambra (2/36, 9.4 overs) and Prince Shah (2/11, 6 overs). Parramatta were all out in the 46th over for 158. They would go on to contest the AW Green Shield final, losing by one run to Northern District.

It was Penrith's third win in the Cup. The Man of the Match was Aayran Dasari, whose bowling (4 for 32 off 10 overs) and run-a-ball batting at the death swung the game Penrith's way. Parramatta turned on the most magnificent lunch. Watch out MKR!

*** Lou Benaud was the father of Test cricketers Richie and John Benaud, both of whom played for Cumberland, before it became Parramatta. John also played for Penrith.*

A.W. GREEN SHIELD — by Brendan Vella

Green Shield seasons come and go very quickly, but the process is longer than one often appreciates. From initial trials in late March 2025, through the Pre-Season Development Program in July and August, an impressive but inexperienced squad of 15 players was chosen to represent our club throughout the Green Shield campaign.

We had the wonderful opportunity during the October holidays to get stuck into three trial games, plus both the Benaud Cup and the Stuart Webster Cup. These matches helped not only the players, but also the coaching staff, gain much-needed experience working together, ironing out issues, and formulating plans heading into the season. Winning four out of the five games was pleasing — especially the win against Parramatta. As a group, this gave us confidence in our pre-season work and left us eager to see how the boys would fare once the competition began.

The honeymoon period we enjoyed during trials was well and truly over by Rounds 1 and 2 against Mosman and Gordon, where we were spanked to all parts in both games. A lack of experience and discipline with the ball meant we were chasing close to, or over, 300 on both occasions. To their credit, Prince Shah and Aaryan Dasari — who would finish as our joint leading wicket-takers — were standouts with the ball in these two matches. While we were bundled out for 140 against Mosman, we fought back well against Gordon to post 231, which marked the beginning of us believing we could perform at a higher level.

With Greenies being such a compact season, you generally need a minimum of four — and often five — wins to reach finals. After losing the first two convincingly, we needed to pull a rabbit out of the hat. The assignment was simple: beat Blacktown in Round 3, and then just keep winning. And that's exactly what we did — though never easily.

Against Blacktown, we bowled and fielded well, but 29 extras highlighted our early-season inconsistency with the ball. In reply, we were poor in the chase but managed to scrape home, with Aarush and Ekam putting on 76 for the 5th wicket to get us over the line with a ball to spare.

We then headed to Rosedale to face Fairfield on what was the largest ground the boys had ever seen. That didn't stop a few of them — unsuccessfully, of course — from trying to clear the ropes. Another sub-par batting performance was rescued by a valuable 95-run partnership between Ekam and Ashton for the 6th wicket, helping us post 193 in the heat. In reply, Fairfield slumped to 7/89 after a fantastic opening 15 overs from Shubh and Nikhil. But once the temperature hit 40 degrees, our boys wilted. It became a survival mission, but they stayed composed and closed out the win in the final over.

Back at home against Bankstown in a rain-affected game, we held our catches and bowled well to restrict them to 177. In reply, we were 3/97 when rain stopped play, with Norris batting exceptionally well — clearing the ropes three times in his unbeaten 58 — to see us home on DLS.

The previous year, yours truly sent down 34 overs in a 4th Grade quarter final at Manly Oval. We fielded for over 130 overs. Things were different this time around. Manly batted first and only survived 39 overs, posting 130. The King — Prince Shah — returned figures of 5/17 in a masterful spell of leg-spin bowling. In reply, we returned to our batting woes, slumping to 6/100, but Ashton and Preston closed out the game superbly to give us the win with 10 overs to spare.

The final round against Sydney was simple: winner goes through to finals. Riding four straight wins, we were confident. Things looked good when we bowled Sydney out for 147, but in reply we slumped to 9/96. Up stepped Preston and Aaryan, who batted sensibly to edge us closer and closer. Preston finished 56* in a fine innings under pressure, showing a perfect balance of attack and defence. Aaryan held up his end well, and we snuck home — again.

Quarter Final time. After getting walloped in Round 1 against Mosman, it seemed almost unbelievable that we were back at Allan Border Oval to face them again. We lost the toss and were sent in, looking to post a sizeable total. At 0/20 in the 3rd over, we were off to the perfect start, but again a lack of discipline and composure prevented us from launching, and we were bowled out for 155. With rain around, Mosman's target was reduced, and they never looked under pressure. They comfortably ran out winners, knocking us out of the competition.

Overall, it was a pleasing season — one the boys can learn greatly from. Making finals while struggling significantly with the bat shows that the future is bright, with plenty of improvement still available as they move forward.

Acknowledgements

I want to take this opportunity to thank the key people who helped make the Green Shield campaign as successful as it was:

- **Geoff Thornton and Lorraine Morris**, our scorers for the season. Special mention to Lorraine, who stepped up when Geoff was unavailable.
- **Mahesh Kumar and Mariette Gill**, who managed the team throughout the pre-season and competition.
- **Matthew Halse and Warren Buttigieg**, who provided their shared knowledge to assist with selections and pre-season planning.
- **Geoff Sullivan and Cam McLean**, who worked tirelessly behind the scenes on the administrative side.
- And lastly, **the parents and players**, who made the campaign what it was.

Onto bigger and better things for those players moving on, and a renewed focus on improvement for those returning for another crack at Green Shield next season.

WOMEN'S FIRST GRADE by Elise Noble

The 2025/26 season has come and gone, and in First Grade, the Penrith LadyCats experienced another important year of development and growth. Although we did not achieve the level of success we had hoped for on the field, there were a number of matches that could have easily gone our way. These close contests provided valuable learning experiences that will only strengthen both individual players and the overall squad heading into next season.

Regardless of results, the group consistently showed up with a positive attitude, strong commitment, and a genuine desire to improve each week. The resilience and determination shown throughout the season reflects the culture we continue to build within the Club.

Our T20 campaign proved challenging, with the side unfortunately unable to secure a win. The team responded well in the 50-over competition, however, where we were able to turn things around by securing two wins up front, competing much more strongly throughout the season. The improvement shown in the longer format highlighted the potential within the squad and the progress being made.

Although the overall results might not have reflected the effort and commitment of the team, there were several outstanding individual performances across the season. Annabel Batty (AB) had a remarkable year with the bat, scoring a total of 724 runs across First and Second grade at an average of over 55, including two centuries and four half-centuries. Starting in Second Grade, her consistent performances there earned her a place in First Grade, where she proved to be a strong and reliable presence at the top of the order.

With the ball, Beth Lane was a key contributor, proving dangerous throughout the season by taking 23 crucial wickets at an average of 21.52. Behind the stumps, Ella Tilburg was outstanding as always, showing her class with the gloves by taking 11 catches and 12 stumpings and earning a place in the SCA merit team.

A highlight of the season was seeing five players make their First Grade debut: Ira Patel, Karly Woods, Japleen Kaur, Nikki Doshi and Kahlan Mouwen all earned the opportunity. This was a fantastic reflection of the depth within our squad and provided valuable opportunities for our young and emerging players to showcase their skills and challenge themselves at the highest level of competition.

Although season 25/26 might not have delivered all the results we were chasing, it has laid another strong foundation for the future. The growth, development and perseverance shown by this group gives us great confidence moving forward into the 2026/27 season.

WOMEN'S SECOND GRADE

by Paul Grosse

Round 1 (T20): Penrith (0/179) def Parramatta (7/155)

The team delivered a dominant performance to secure a 24-run win, posting an impressive 179 without loss before restricting Parramatta to 7/155.The innings was built around a superb opening stand led by Annabel Batty, who controlled the tempo from the outset. She was well supported by Amelia Crouch, with the pair batting through the innings to set a formidable total.

In reply, Parramatta competed well, but Penrith's bowlers combined effectively to apply pressure, take regular wickets, and keep the chase under control throughout.

Top performers (Penrith)

- Bat: Annabel Batty (115* off 75), Amelia Crouch (51* off 47)
- Ball: Shree Swarup (2/28 off 4), Natasha Martin (2/27 off 4) and Amelia Crouch (2/21 off 4).

Round 2 (T20): Penrith (4/98) def by Greater Hunter Coast (3/101)

Penrith battled hard but were unable to defend their total, with Greater Hunter Coast chasing down the target at 3/101 to claim the win. On a very slow wicket the local team showed us how to bowl with a spin-heavy attack.

With the bat, Annabel Batty was the clear stand-out, producing an excellent unbeaten innings and providing the backbone of Penrith's total. She was supported by Shree Swarup, who contributed valuable runs in the middle order, helping push the side towards a competitive score.

In the field, we created some early opportunities with Grace Rowan (2/21) taken two wickets, which applied early pressure on the opposition, but we couldn't quite contain the run rate as the chase progressed.

Top performers (Penrith)

Bat: Annabel Batty (57* off 63), Shree Swarup (13 off 8)

Ball: Grace Rowan (2/21 off 4), Aleena Syed (1/28 off 3).

Round 3 (One Day): Penrith (5/226) def Sydney University (8/223)

Penrith produced a strong all-round performance to secure a hard-fought 5-wicket win over Sydney University, successfully chasing down 223 in an entertaining one-day contest.

With Sydney University batting first, Penrith's bowlers worked well in patches to restrict the scoring and prevent the total from getting out of reach. Despite some resistance from the Uni batting line-up, every time Uni looked to progress the run rate, we managed to take a wicket to keep the chase manageable. Simran Dhatt led the way, supported by Isabella Bradley-Labra.

In reply, we showed composure with the bat, building partnerships through the innings to steadily track down the target. The chase was anchored by a stand-out top-order batting effort, with Annabel Batty and Amelia Crouch putting on 93 for the first wicket. Valuable contributions through the middle order guided the team home with wickets in hand.

Overall, it was a well-balanced team performance, with Penrith showing resilience and control to chase down a challenging total and secure the win.

Top performers (Penrith)

Batting: Annabel Batty (133* off 110), Amelia Crouch (30 off 55)

Bowling: Simran Dhatt (4/47 off 10), Isabella Bradley-Labra (2/37 off 10)

Round 4 (One Day): Penrith (104) def by Sydney (7/106)

Penrith were involved in a tight, low-scoring contest but ultimately fell just short, with Sydney chasing down the target by 3 wickets.

After being sent in, Penrith found it challenging to build momentum with the bat against a disciplined bowling attack. A handful of batters made starts and worked hard to push the total past 100, but regular wickets prevented the innings from fully developing, with Penrith bowled out for 104.

Defending a modest total, Penrith responded with great intent in the field and made Sydney earn every run in the chase. The bowling unit worked collectively to apply pressure, Simran Dhatt lead the way again with many other bowlers contributing and keeping the run rate in check throughout the innings. Key wickets at important moments ensured the game remained competitive right to the final overs.

Sydney eventually reached the target at 7/106, but Penrith's persistence and effort with the ball kept the contest alive until the end.

A tough result, but plenty of positives from Penrith's fight and discipline in the field, with the team showing great resilience in a low-scoring game.

Top performers (Penrith)

Batting: Simran Dhatt (14 off 23), Shree Swarup (13 off 24), Amelia Crouch (13 off 33)

Bowling: Simran Dhatt (4/14 off 8)

Round 5 (One Day): Campbelltown Camden (9/176) defeated Penrith (155)

We put in a competitive performance but fell 21 runs short in the chase against Campbelltown Camden.

After winning the toss, Campbelltown Camden posted 9/176 from their 50 overs, with Penrith's bowlers doing a solid job to restrict scoring and take regular wickets. The stand-out with the ball was Natasha Martin, who led the attack with controlled, economical bowling. She was well

supported by Amelia Crouch and Emma Rippon, while Kahlan Mouwen and Grace Rowan also chipped in with a wicket each to keep the pressure on throughout the innings.

In reply, Penrith were unable to build the partnerships needed to chase down the target. We lost 2 early wickets before a small fightback and then were eventually bowled out for 155 in 43 overs. It was good to see Emma Rippon with some runs. There were other positive contributions with the bat, with several players making starts and working hard against a steady Campbelltown Camden bowling attack, but regular wickets halted momentum at key stages.

Overall, a solid bowling effort kept Penrith in the contest, but the chase proved just out of reach. There were plenty of positives with the ball and good patches with the bat to build on.

Top performers (Penrith)

Bowling: Natasha Martin (2/31 off 10 overs), Amelia Crouch (2/22 off 8 overs), Emma Rippon (2/41 off 10 overs)

Batting: Emma Rippon (51 off 91), April Darby (34 off 46)

Round 6 (One Day): Penrith (133) def by St George Sutherland (7/134)

Penrith W2 were edged out in a tight contest, going down by 3 wickets after posting 133 with the bat.

After being sent in, Penrith fought hard to compile 133, with Sophie Gould the stand-out performer, finishing unbeaten and holding the innings together under pressure. She was well supported by Japleen Kaur (16) and Sukhmandeep Dhaliwal (15), who both contributed valuable runs, but regular wickets made it difficult for Penrith to build sustained partnerships. Special mention must go to Grace Rowan, who combined with Sophie for a crucial 53-run last wicket partnership.

Defending the total, Penrith's bowlers produced a disciplined effort to keep the game in the balance. The attack worked collectively to apply pressure, taking wickets at key stages and restricting the scoring rate throughout the chase. Despite their efforts and keeping St George Sutherland under control for much of the innings, the Slayers were able to reach the target at 7/134 in the 42nd over.

A competitive performance from Penrith, with a stand-out innings from Sophie and a resilient bowling display that pushed the match right to the end. This game and the game against Sydney (Round 4) showed this team can push some of the top teams of this competition.

Top performers (Penrith)

Batting: Sophie Gould (59* off 72), Japleen Kaur (16 off 34), Sukhmandeep Dhaliwal (15 off 43)

Bowling: A strong team effort with multiple bowlers contributing and maintaining pressure throughout the innings

Round 7 (One Day): Manly Warringah (8/182) def by Penrith (4/186)

Penrith produced a strong all-round performance to secure a 6-wicket win over Manly Warringah, successfully chasing down 182.

After being sent into the field, our bowlers worked well as a unit to restrict Manly to 8/182 from their 50 overs. Simran Dhatt was the stand-out, leading the wicket count, while Amelia Crouch and Kahlan Mouwen both supported well to apply consistent pressure. The main attack was well supported by tight spells from the rest of the bowling group, helping to keep the scoring rate under control throughout the innings.

In reply, Penrith showed composure with the bat, building partnerships and pacing the chase effectively, led by Japleen Kaur with her maiden 50 in Second Grade. There were two key partnerships between Amelia Crouch and Japleen Kaur for the second wicket and then Simran Dhatt and Shree Swarup combined well to guide us home at 4/186. Key contributions across the top and middle order ensured the target was chased down with wickets in hand.

This was a well-rounded performance and well-deserved win from Penrith, highlighted by disciplined bowling and a controlled chase.

Top performers (Penrith)

Batting: Japleen Kaur (58 off 85), Simran Dhatt (26* off 39), Amelia Crouch (23 off 65)

Bowling: Simran Dhatt (3/40 off 10), Amelia Crouch (2/28 off 9), Kahlan Mouwen (2/29 off 8)

Round 8 (T20): UTS North Sydney (1/101) def Penrith (3/98)

A disciplined bowling performance early from the Bears meant we didn't get off to a great start, being 2/18 after seven overs. A third-wicket partnership of 78, at almost a run a ball, between Japleen Kaur and April Darby allowed us to set a total to defend, finally posting a total of 3/98 from our 20 overs.

The Bears were in control for the best part of their innings, but had a couple of dropped chances been taken, this could have changed. They ended up passing our score 1 down but with only 9 balls to spare.

Top performers (Penrith)

Batting: Japleen Kaur (48* off 56), April Darby (29 off 30)

Bowling: Manorath Gill (1/18 off 3)

Round 9 (T20): Penrith (8/82) def by Sydney (1/83)

We faced a tough outing against a strong Sydney side, falling to a 9-wicket defeat.

After being sent in, Penrith found it difficult to build any momentum with the bat, finishing on 8/82 from their 20 overs. April Darby was the stand-out, playing a composed innings, anchoring the innings and providing some stability through the middle. Regular wickets prevented Penrith from posting a larger total.

In the field, our bowlers toiled against a strong Sydney batting lineup. Despite our efforts, breakthroughs were hard to come by, with the attack managing just one wicket in the innings as Sydney chased the target down quickly in 15.4 overs. Although the wicket-taking opportunities were limited, we continued to compete and work through our overs under pressure.

Top performers (Penrith)

Batting: April Darby (30* off 28), Sophie Gould (11 off 21)

Bowling: Kahlan Mouwen (1/18 off 4)

Round 10 (T20): St George Sutherland (8/91) def by Penrith (2/92)

The team delivered an excellent all-round performance to secure a convincing 8-wicket win, comfortably chasing down 91 against St George Sutherland.

After being sent into the field, the Slayers got off to a great start, only losing their first wicket at 1/46 in the eighth over. But from that point, we dominated with the ball taking the next seven wickets for 45 runs and being set 91 to chase. Our bowlers set up the victory with a disciplined and consistent effort. Amelia Crouch, Emma Rippon and Kahlan Mouwen were the stand-out performers, each claiming two wickets to keep the opposition in check.

In reply, Penrith chased with confidence and control, reaching the target at 2/92 in just 14.3 overs. The batting unit showed strong intent, with a dominant top-order performance ensuring there were no complications in the chase, and the result was secured with plenty of time remaining. Aleena Syed started at the top, and then Japleen Kaur continued at the back end of the chase.

This was a dominant team performance from Penrith, highlighted by disciplined bowling and a clinical chase to secure a well-deserved win.

Top performers (Penrith)

Batting: Aleena Syed (36 off 28), Japleen Kaur (22* off 18)

Bowling: Emma Rippon (2/13 off 4), Amelia Crouch (2/14 off 4), Kahlan Mouwen (2/29 off 4)

Round 11 (T20): Manly Warringah (8/78) def by Penrith (3/81)

We travelled to Manly Oval and produced a strong all-round performance, highlighted by a composed batting effort and a disciplined bowling display.

Batting first we built a competitive total on the back of Japleen Kaur. She was well supported by Annabel Batty, who played an attacking knock to give the innings some go-forward, and then Ira Patel added valuable runs through the middle.

With the ball, Penrith delivered a high-quality team performance to apply pressure throughout the innings. Simran Dhatt and Kahlan Mouwen both bowled with control and impact. Natasha Martin chipped in with a key wicket, while all other bowlers were economical and helped build pressure through tight spells.

This was a well-rounded performance from Penrith, with Japleen's composed innings and a disciplined, effective bowling unit standing out as key positives

Top performers (Penrith)

Batting: Japleen Kaur (36* off 39), Annabel Batty (19 off 13), Ira Patel (13 off 20)

Bowling: Simran Dhatt (2/11 off 4), Kahlan Mouwen (2/14 off 4), Natasha Martin (1/18 off 3)

Round 12 (One Day): Abandoned due to rain

Round 13 (One Day): Penrith (164) def by Greater Hunter Coast (9/163) (DLS)

Penrith produced a competitive performance with the bat, but we were narrowly defeated by Greater Hunter Coast via DLS in a tight contest.

Batting first, we posted 164 from 48.1 overs. We got off to a poor start being 3/12 before the batting fightback began. A 47-run partnership for the fourth wicket between Simran Dhatt and Karly Woods and then contributions from a couple of regular Brewer Shield players, Manorath Gill and Olivia Dimmick, put in a good shift for us and along with 54 extras by our opponents, we got beyond 160.

In reply, our bowlers worked hard to apply pressure, taking the game deep and keeping Greater Hunter Coast under control for much of the chase. Manorath Gill led the way and was well supported by Amelia Crouch. With our own 39 extras we restricted Greater Hunter to 9/163, but the revised DLS target saw the visitors claim a narrow 1-wicket win.

Top performers (Penrith)

Batting: Simran Dhatt (24 off 42), Manorath Gill (24 off 73), Olivia Dimmick (24 off 54), Karly Woods (21 off 26)

Bowling: Manorath Gill (4/25 off 8), Amelia Crouch (2/30 off 8)

Round 14 (One Day): Gordon (4/130) def Penrith (126)

We were sent into bat at Beauchamp Oval we found ourselves in trouble early again, not only losing wickets but not able to progress to any significant run rate. At 3/46 after 20 overs, we tried to recover with Japleen Kaur and debutant Nikhar Doshi leading the way. The constant loss of wickets left us bowled out in the 39th over.

Defending this score was always going to be difficult, but yet again the girls gave it their all. With the opposition 3/42 or even 4/67, it was a game there for the taking, but Gordon managed to pass the score without losing another wicket. Wickets were shared between Kahlan Mouwen and Simran Dhatt and two run-outs.

Gordon eventually went on to make semi finals, so against a strong opposition it was great to see our team compete in moments of the game. It was exciting but showed there was still work for us to do.

Top performers (Penrith)

Batting: Japleen Kaur (45 off 77), Nikhar Doshi (26 off 34)

Bowling: Kahlan Mouwen (1/25 off 10), Simran Dhatt (1/24 off 7.3)

Round 15 (One Day): Abandoned due to rain

Round 16 (One Day): Northern District (7/78) def by Penrith (4/70) (DLS)

We sent the visitors in after winning the toss. Our bowling was outstanding, restricting NDs to just 78 from 26 overs. The wickets were shared, with Natasha Martin, Grace Rowan and Simran Dhatt each taking two. They were supported by the entire attack applying pressure, which allowed us to strike at key moments.

In reply, Penrith chased a revised DLS target of 70, reaching 4/70 in 20.5 overs to seal the win. Although the chase required patience, Penrith showed composure to steadily work their way to the target and secure the victory with wickets in hand.

A dominant bowling display set up the win for Penrith, with the team showing control and discipline to comfortably defend and chase in a rain-affected contest.

Top performers (Penrith)

Batting: Japleen Kaur (22* off 44), Amelia Crouch (19 off 53)

Bowling: Simran Dhatt (2/22 off 5), Grace Rowan (2/9 off 5), Simran Dhatt (2/22 off 5)

Round 17 (One Day): Penrith (7/194) def by Parramatta (4/177) (DLS)

It wasn't rain this time, but heat that affected the match and brought DLS into play. We batted first and after losing an early wicket, we managed to put together a competitive 194. The innings was led at the top by Nikhar Doshi, supported by Japleen Kaur and Simran Dhatt. The innings never really went to great heights and wasn't enough to allow us to apply real scoreboard pressure, but it was still a total that was going to be tough to chase down in the heat.

We made a great start with the ball, taking a wicket in the first over, but we were up against a team that would go on to win the competition and they proved too strong. Fielding in the worst of the conditions, the team's commitment was unquestionable, but it wasn't to be enough. We ended up coming off for heat and the DLS was applied with Parramatta having an adjusted total of 106 and a lead of 11.

Special mention to Kimmy Butler, who wound back the clock to tack the gloves for us. She did a great job with three stumpings in the extreme heat.

Top performers (Penrith)

Batting: Nikhar Doshi (61 off 73), Simran Dhatt (29* off 46), Japleen Kaur (22 off 53)

Bowling: Simran Dhatt (2/30 off 7), Amelia Crouch (1/25 off 5)

Round 18 (One Day): UTS North Sydney (2/101) def Penrith (100)

Sent into bat for the last game of the year, this wasn't our best performance. A scorecard with three ducks made it difficult to gain any ascendancy.

Sophie Gould and Sukhmandeep Dhaliwal were our top scorers, but we lost regular wickets and were bowled out for 100 after facing 43.3 overs of our allotted 50.

Defending a modest total was always going to be difficult. We managed to take two of their wickets, with Grace Rowan and debutant Lara Jenns claiming one each.

Apart from that, there wasn't much joy for us as the Bears passed our score in 34.2 overs for the loss of two wickets.

Top performers (Penrith)

Batting: Sophie Gould (34 off 76), Sukhmandeep Dhaliwal (19 off 58)

Bowling: Grace Rowan (1/13 off 5), Lara Jenns (1/9 off 2)

Season summary

The 2025/26 season was one of growth, resilience and developing consistency, with the team showing its ability to compete strongly against some of the competition's top sides.

Time and again our bowling and fielding combined effectively to apply pressure, take key wickets, and keep opposition totals within reach. Performances against strong teams such as Sydney and St George Sutherland highlighted our ability to stay in contests through disciplined and controlled bowling.

With the bat, the season was defined by moments of excellence alongside periods of inconsistency. When partnerships were built, we proved we could post and chase competitive totals, highlighted by dominant wins such as those in Round 1 and Round 7, as well as strong individual performances from players like Annabel Batty, Japleen Kaur and Sophie Gould. Regular loss of wickets at key stages in several matches, however, limited our ability to capitalise fully on good positions.

A key positive throughout the season was the development of players and the team's ability to remain competitive in tight matches. Several games against higher-ranked opposition went deep, demonstrating the group's resilience, fighting spirit and growing confidence.

Leadership also evolved strongly across the season, with multiple captains stepping into the role and contributing in different ways. The emergence of Sophie Gould as a leader was a major highlight, bringing composure, experience and strong on-field decision-making.

Overall, this season has laid a strong foundation for the future. The group has shown it can match it with the best, and with continued focus on building partnerships and consistency with the bat, this team is well placed to take the next step in the coming seasons.

Our captains

I thank all three of our captains this year. We start with Annabel Batty, who led the team for three games before pushing her way into First Grade. April Darby took over for a few games before bravely asking for relief to concentrate on her game, which would eventually see her back in First Grade too.

Sophie Gould came to the Club at the start of the year and never thought that she would be leading our Second Grade team and, to be honest, that wasn't part of the plan. But Sophie was the perfect replacement. Leadership is more than just making decisions on the field. You must earn the respect of your fellow team members while showing leadership when needed. Sophie showed all these traits and more. She is more experienced than many of the girls in the team and this clearly showed.

Thank you Sophie for the way you conducted yourself this year. These girls were very fortunate to have you lead them. From me personally and all the coaching staff, thank you for making the effort to travel from Canberra each week. You make the job of coaching so much easier because you act as another coach. Can't wait to see you again next year.

Our scorers and supporters

Thank you to all the parents that help week in and week out. This Club does not run without the support that you give the girls, including what you offer on game days. Whether it's set-up, pack-down, scoring, or sometimes just giving the girls space to learn their own way, it makes a big difference. Thank you.

Special mention to all our regular scorers and I am sorry if I miss anyone here – Catherine Pratt, Steve Darby, Warwick Rippon, Rob Dimmick and Peter Crouch. This is an aspect that only some enjoy, but it's something we need so that the team can play.

Coach's message to the team

As I move into a new role at the Club, I wish to all the girls the very best for their years to come at Penrith. I have enjoyed the last couple of years, seeing the great improvement in all of you as players but also as humans. We have a great club, and while the only difference next year is that I won't be with this group every week, I will still see all you returning players and I will be watching closely and hoping to see you in First Grade in coming years!

Thanks Team and Go the Cats in 26/27!!!!

BREWER SHIELD by David Lett

After a promising 2024/25 season in the Brewer Shield and a good pre-season, the 2025/26 Brewer girls hit the ground ready and raring to go. We had an injection of new young players mixed with the girls who already had some Premier Cricket experience from the previous season, so we needed to develop together as a team. It's really pleasing to look back now and reflect on what played out over the course of the season and what we were able to achieve.

Again, like the previous season, when we qualified in fifth spot and played in an Elimination Final, our aim was to go deep into the Finals series and stake a claim for the Premiership. Our young squad kept improving each week and with that improvement came growing confidence. All the girls enjoyed each other's successes, which ultimately made their desire to improve and win in any situation keep growing. It was truly enjoyable to see the girls push all the way to the Grand Final and play a great game that went all the way to the 100th over. Had a decision or two (like a questionable run-out) gone our way, it would have been a different result but the girls played their hearts out all season and can hold their heads high in finishing as Runners Up.

Rd 1 (T20): Penrith (6/95) def by Parramatta (6/98)

Our traditional Round 1 fixture against Parramatta at Merrylands Oval. After losing the toss we bowled first, and Manorath (2/19) got a couple of early breakthroughs to put us in control of the match. Mithula (2/14), Teyana (1/10) and Yashika (1/17) were the other wicket-takers. Our run chase didn't get off to the best start with Aleena being dismissed first ball, but a good knock from her opening partner Simoli (50 off 44) had the scoreboard ticking over. There was good support from Sukhman (18 off 29) too, but ultimately Parramatta were too good in the final few overs and restricted us to four runs short of the target. A few lessons were learned about the standard needed to compete at this level.

Rd 2 (T20): Penrith (1/87) def Greater Hunter Coast (7/83)

An away trip up to Newcastle against one of the strong teams of the competition and a chance to put our learnings from the previous week into practice. GHC won the toss and chose to bat. We started well with tight bowling and raised our standard in the field. Teyana (2/4) was outstanding with the ball and her captaincy, and she was well supported by Aleena (2/7), Aarna (1/14) and Mithula (1/21), meaning we restricted GHC to a modest target. Aleena (45* off 37) was aggressive from the start of our batting innings, smashing 12 runs from the first over and keeping the foot on the throttle for the entire innings with great support from Mithula (26* off 33). We chased down the target with 6.1 overs remaining to put our first win of the year in the bank and notch up a bonus point too!

Rd 3 (One Day): Penrith (2/116) def UTS North Sydney (114)

We played our first one-day format game at home this round, against UTS North Sydney, who'd had two dominant wins to start their season. The Bears batted first and got off to a steady start. Once Aarna (2/12) got her second wicket, we had UTS 2/36. From that point, our bowlers really turned the screws for the middle part of the innings to restrict their scoring. A great team bowling display saw multiple wicket-takers with Lara (2/13) and Nuhaar (2/10) each claiming two and Matilda, Allena and Manorath each getting a wicket. A great 76-run opening partnership from Aleena (53 off 37) and Simoli (29 off 58) had us well in control of the match with Mithula and Manorath seeing us home with 28.4 overs to spare. A double bonus point win and some confidence building within the team.

Rd 4 (One Day): Penrith (150) def St George-Sutherland (103)

This game was a lot tighter than the scoreline suggests. Losing the toss and being sent into bat, we saw our innings anchored by a very composed Simoli (45 off 87) with great support from Milla (33 off 71) in her first game for PCC and Aleena (28 off 15). Starting off our bowling innings, we were relentless with our line and length with an amazing spell from Aarna (4/16) and fantastic run-out from Milla and support from Yashika (2/21). This was a great team performance in which we handled the pressure situations well and always looked to attack the game.

Rd 5 (One Day): Penrith (131) def by Bankstown (4/132)

An away game against Bankstown and Teyana won the toss and decided to bat. We had a good start to our innings with Simoli (43 off 70) and Mithula (34 off 32) getting us to 1/95 at drinks. From there everything went downhill. Some questionable umpiring to poor bowling had our girls trying to score by reaching for balls that would normally be called wides, and it led to our downfall with us ultimately being bowled out for a modest 131. We knew we would need to start well to mount any pressure on the opposition, but Bankstown always had the run chase under control. Milla, Teyana, Mithula and Manorath each finished with one wicket. A disappointing performance but a game we were able to learn from to help us as the season went on.

Rd 6 (One Day): Penrith (94) def by Blacktown (0/95)

We knew this was going to be a tough game against one of the heavyweight teams of the competition. After winning the toss and batting first, we got off to the perfect start with Aleena hitting the first ball for six. A steadying partnership from Mithula (23 off 62) and Manorath (23 off 41) had us at 2/66 in the 20th over. Unfortunately like the week before, we fell away with our batting to be all out for a disappointing 94 runs. Blacktown eased to the target in the 22nd over without the loss of a wicket to claim a commanding victory. This was a real wake-up call for us, and it showed where we needed to improve to compete with the good teams in this competition. We knew we had the ability in our squad but needed to make sure we had our 'A' game each week.

Rd 7 (One Day): Penrith (7/159) def Greater Hunter Coast (9/156)

We won the toss and sent the opposition into bat in hot conditions at Bill Ball. We got off to a great start and had the opposition 5/43 but then lost our way in the middle overs to let GHC build some partnerships. We managed to swing it back in our favour at the end of the innings

with Mithula (3/34) and Milla (2/23) being the pick of the bowlers and Aarna, Sukhman and Yashika each claiming one. We then mounted a confident and composed run chase, which we always had under control. A controlled innings from Manorath (44* off 83) saw us home, with support from Mithula (36 off 45) and Aleena (28 off 35). This was a pleasing team performance in hot conditions against a strong opponent.

Rd 8 (T20): Penrith (6/60) def by Sydney University (1/64)

An all-round disappointing performance. We batted first but lacked any intent and slowly reached a score of only 60 from our allotted overs. Sydney Uni came out aggressively with the bat and chased down the total with ease. Yashika bowled well with (1/15) while Aleena (23 off 48) and Olivia (7 off 14) both scored a few. There were plenty of lessons to be learned from this match, which helped us in similar situations as the season went on. This match was going to be a turning point in our season. We needed to get better or fall away from the top teams on the ladder.

Rd 9 (T20): Penrith (4/81) def Sydney (9/64)

Missing our regular captain Teyana, we had Matilda step into the role for the next three weeks. With Sydney sitting one place below us on the ladder, it was a good opportunity for us to bounce back after the previous week's performance. Batting first we managed a decent total of 81 on slow-scoring wicket, but it was below our target score. Mithula top-scored with (20 off 32). We knew we would need to bowl well and back it up in the field to defend our total, which is exactly what we did, with Aarna (2/4 off 4 overs), Mithula (2/8) and Matilda (2/16) all bowling with great pace and being the leading wicket-takers. A great direct hit run-out at the non-strikers end from Olivia was a highlight of the innings.

Rd 10 (T20): Penrith (2/104) def St George-Sutherland (6/100)

This match saw a great win against the competition leaders set up by tight bowling and good inner ring fielding with Aarna (0/1) giving away only 1 run off 4 overs and Mithula (3/22) the pick of the bowlers. We had struggled with our running between wickets in previous weeks but turned it around this week with our opening pair of Japleen (29 off 22) and Aleena (35 off 30) leading the way and the innings capped off by Mithula (27 off 26). A dominant performance against a quality opponent.

Rd 11 (T20): Penrith (6/86) def by Manly (6/89)

This was the last game pre-Christmas, a club double-header at Manly Oval! We welcomed back veteran Izzy for a cameo Brewer performance for this match. We batted first and well against a strong Manly side on an inconsistent wicket. Manly was able to bowl tightly for most of the innings, but we managed to post a good total with Mithula (31 off 43) and Manorath (25 off 27) the pick of the batters. We bowled well with the match going down to the last over, but in the end we needed a few more runs. Best of the bowlers was Izzy (2/7 off 4), with Matilda, Mithula, Aleena and Aarna all chipping in with one wicket. This wasn't the way we wanted to go into the

Christmas break, but we were still sitting comfortably in the top 6 with plenty of positives coming from the first half of the season.

Rd 12 (One Day): Penrith (5/216) def Northern District (107)

In our most dominant performance of the year, the girls flexed their muscles against Northern District with a double bonus point win. With our regular captain Tey back and winning the toss, we elected to bat first. An opening partnership between Aleena (55 off 68) and Simoli of 66 got us off to a great start, and from there we batted with great control with valuable contributions from Manorath (58 off 101), Mithula (35 off 41) and Milla (24 off 56) helping us reach an impressive total of over 200 for the first time this season. All bowlers bowled beautifully with the wickets shared around. Special mention to Aarna (1/14 off 10 overs) and Mithula (4/10 off 7.1 overs), who really set the tone for the day. We were sensational in the field with the highlight being a direct hit run-out from Tey at the batting end whilst fielding at Mid Off. The girls were able to get the job done before the storm hit to claim the double bonus point win.

Rd 13 (One Day): Penrith (6/106) def Gordon (6/105)

This was a long day against Gordon at Bill Ball with rain all morning. After a huge effort from parents and Paul Grosse, we got the ground dried and covers off so the reduced 30-over match could get underway. Gordon elected to bat and got off to a good start at 0/37 off 10 overs and then we had a great combined spell from Teyana (1/17) and Matilda (1/13) with both getting a wicket and restricting Gordon to 2/23 of the next 10 overs. Chasing 106 for the win, we lost a couple of early wickets but a great partnership from Mithula (35 off 51) and Manorath (35 off 46) anchored the innings to get us the victory with 17 balls to spare.

Rd 14 (One Day): Penrith (2/128) def Southern Swans (104) (DLS)

A great bonus point win against the reigning Premiers cemented our spot in the Finals with an outside chance of finishing in the top two. We posted a good score of 128 on a slow outfield off a rain-interrupted 41 overs with our opening pair Aleena (68* off 131) and Simoli (24 off 30) working well to start the innings, backed up by Manorath (19* off 47). Setting the Swans a DLS revised total of 141, we started well with Manorath (2/30) getting two early breakthroughs. Then there was a small period in which we lost our way and allowed the Swans to build some partnerships. Drinks came at the right time, and the girls were able to refocus on the task at hand, cleaning up the tail with some great fielding plus good bowling from Aarna (3/13) and Teyana (2/11).

Rd 15 (One Day): Penrith (175) def Campbelltown-Camden (7/66) (DLS)

The last regular season game saw us up against the team that had yet to win a game all season, needing a double bonus point win to cement second spot on the ladder and the first week of the finals off. We posted a score of 175 in what wasn't one of our best batting performances. We lost a few early wickets but steadied the innings in the middle order with good partnerships from Matilda (34* off 66), Mithula (33 off 49) and Nandhiga (18 off 38). Campbelltown came out with no intent and turned the game into a slow old affair. Wickets went to Mithula (3/16), Nuhaar (1/3), Yash (1/14) and Matilda (1/16), with the highlight of the innings being a spectacular one-handed grab from Manorath. A good way to finish off the regular season with plenty of momentum to take into the semi-finals.

Semi-Final (One Day): Penrith (8/134) def Manly (7/86) (DLS)

We hosted Manly in the Semi-Final. With a bit of overnight rain we had a lot of work to do to get the ground ready. Special shout out to Geebs, Grossey, Sully and Camo for all their work to make it happen and get the ground ready for the match to start on time. Manly won the toss and sent us in to bat, which was pleasing as it was exactly what we wanted to do. We got off to a shaky start, losing a couple of early wickets to be 2/21, but a steadying partnership from Simoli (40 off 92) and Mithula (34 off 87) wrestled the momentum back in our favour. We knew we could defend 134 on this wicket and that is just what we did. When Manorath (2/10) got the early wicket of one of their key batters and then backed it up with another soon after, we had our tails up. Manly steadied their innings before a brilliant run-out from Matilda and Olivia against the run of play helped slow them down. With the game evenly poised and the imminent threat of rain, we knew we needed to keep things tight to stay ahead of the DLS score. A key wicket to Matilda (1/5) had us slightly in front and then a couple of quick wickets to Mithula (2/16) and a great run-out from Teyana and Olivia saw Manly lose 3/1 in a 10-ball passage and put us well in front of the DLS par score when the rain hit and brought an end to the match. A great performance against a high-quality opponent saw us through to the Grand Final with the privilege of hosting at Howell Oval.

Grand Final (One Day): Penrith (9/133) def by Blacktown (8/134)

A perfect March day dawned at Howell Oval for our Brewer Grand Final and a true battle of the best two teams of the competition. We won the toss and decided to bat first but got off to a shaky start and at 2/12 we had to dig in to get ourselves back in the game. Manorath (55 off 119) played a patient and mature innings to help us bat out our 50 overs, with some late-order attacking batting from Olivia (32 off 65) and Matilda (14* off 15) helping us post a competitive score of 133. In reply Blacktown got off to a good start before Teyana (2/19) broke though just before drinks to get the first wicket. When Tey claimed her second wicket in her next over we could see the girls growing in confidence. A good run-out by Milla and Olivia and we had the opposition at 3/74. Yashika (3/22) entered the attacked to claim three quick wickets with the highlight being a great catch by Matilda at short cover and, all of a sudden, Blacktown was 6/99. Wickets to Mithula (1/22) and Aarna (1/14) had them at 8/115 and the game was getting tight. Two great run-out chances in two balls – with the second being a direct hit that looked very close and could have easily gone in our favour and have the opposition in real trouble – were given not out. The girls kept trying hard to the very end and ultimately Blacktown chased down the target with 4 balls to spare. This was a great match that went all the way to the 100th over and showcased the girls' fighting spirit, but it wasn't our day. I was proud of the way the girls handled themselves during and after the match and they showed great sportsmanship.

Season summary

The Brewer season was, when all is said and done, an enjoyable and rewarding one to be a part of. Every player who played this season, whether it was for one or every game, played a part in shaping the team success we enjoyed. Our team culture was amazing to be a part of, considering the differing backgrounds and ages of the girls that played. Sitting on the sideline while we batted. I always enjoyed chatting with the girls, learning about them and having a good time. I hope the players all took a lot of experience from the season about what it takes to compete at this level and grow into better players for Penrith next season.

We were blessed with an amazing country contingent in our team – Olivia and Milla for the majority of the season along with a few games by Emma and Karly – whose commitment and dedication to our team was incredible. To them, and all their wonderful parents, thank you so much for your commitment and value you bring to our team and club.

Our coaching team of Craig, Grossey, Geebs and Scuba were fantastic to work with. Thank you for all your support throughout the season and well wishes as we pressed towards finals. Special shout out to Geebs for guiding us through the opening rounds of the competition. I'm sure all the players learned something from each of you, which made them better players and club members.

To all the parents of our players, thank you so much for all your support, offers of help,and game day support. Our team's success is due in part to this support, and I hope it continues to be the case in the seasons to come. The pleasing part is that all the parents are genuinely pleased and happy for other players' successes, not just your own daughter's. That attitude feeds down to the players and is something that I am really proud of.

To the Brewer players, well done on a fantastic season. Everyone contributed at some point along the way and is the reason why we were such a hard team to play against. The on-field successes were only one part of why I was so proud of the team. After the Sydney Uni game we turned our season around to only lose one regular season game in a tight affair against Manly. We had a team spirit that allowed us to believe we could win from any situation and it was evident in the way the girls attacked each game. I hope you all use this season as a stepping stone to a successful career with Penrith Cricket Club.

To Cath, we are forever indebted to the work that goes on behind the scenes to get our girls on the park. All you do for the club is greatly appreciated. With the privilege of being able to host a home Semi-Final and Grand Final comes a lot of work. Dealing with CNSW, umpires, FrogBox, organising volunteers, lunches and also scoring – there's nothing that can be said that truly reflects my thanks to you for all this effort.

To Sully – your help and support does not go unnoticed. Thank you for your time and effort throughout the entire season but especially during the Finals campaign with organising the grounds and pitches and the early starts getting the ground fit for play and working with the covers.

I look forward to seeing everyone back for a bigger and better season 2025/26.

KENNARDS HIRE

TREASURER'S REPORT by Leanne North

Some key points to note from the 2025/26 Financial Statements:

1. Operating Result: The club recorded a profit of $93,091 for the year ended 30 April 2026, compared to a profit of $7,657 in the previous year. This was largely driven by a CPI increase in grants from CNSW and greater financial discipline including an increase in indoor centre hire.
2. Another key factor was a significant reduction in clothing expenses as we were in the last year of the existing design, we can expect a large increase in clothing expenses for next season due to a change over to a new design and updating of club sponsors.
3. The club holds a separate account for its Long Service Lease provision; this was topped up during the season so will largely cover our LSL liability.
4. The expenses have been audited by Pinnacle Taxation and endorsed by the club President and Treasurer, we recommend the club members accept the financial statements as published in this report.

MANAGEMENT COMMITTEE

The Management Committee met on 12 occasions from July, 2025 to June, 2026.

Attendance was:

12	Paul Goldsmith, Leanne North
11	Cam McLean, Wyatt North,
10	Catherine Pratt, Geoff Sullivan, Mathew Halse, Dave Gardner
9	David Taylor

GOLF DRIVING RANGE

SPONSORS

Penrith Cricket Club is incredibly fortunate to be supported by a group of outstanding businesses and organisations whose commitment extends well beyond financial assistance. Their

investment in our club enables us to provide opportunities for all of our players, strengthen our programs both on and off the field and continue building a club that our members and the broader Penrith community can be proud of.

On behalf of everyone at Penrith Cricket Club, we extend our sincere appreciation to all of our sponsors and partners for their continued confidence in our vision and their unwavering support throughout the season.

We particularly acknowledge the outstanding commitment of our Major Partners, **Panthers Penrith** and **Penrith City Council**. Their ongoing support plays a significant role in the continued growth and success of our club and provides a strong foundation upon which we continue to build.

We are equally grateful to our valued sponsors, including **The HIX Group, G3 Fitness, Peter Betros – Property Central, Claims Pharmacy, 19th Driving Range** and **Southlands Shopping Centre**, whose contributions have helped ensure our players have access to quality facilities, equipment, coaching and development opportunities throughout the season.

The Club has also benefited enormously from the generous in-kind support provided by **N1 Physio, Dino's Pizza, Hertz, Pinnacle Taxation Services** and **Kennards Hire**. Their willingness to support our members in practical ways makes a genuine difference and is sincerely appreciated.

A special acknowledgement must also be made to **Harry and Rohini Solomons and the team at Kingsgrove Sports**. Their long-standing partnership with Penrith Cricket Club, together with their ongoing commitment to cricket across Greater Sydney, has been exceptional. Their professionalism, service and continued investment in our club have been invaluable and we greatly appreciate everything they do. We look forward to continuing this successful partnership into the future.

We encourage all members, supporters and families to support the businesses that so generously support us. Whenever you have the opportunity, we ask that you consider our sponsors first, their commitment to Penrith Cricket Club deserves our support in return.

This season also marks the conclusion of several long-standing partnerships. We extend our heartfelt thanks to **G3 Fitness, Peter Betros – Property Central, 19th Driving Range** and **Southlands Shopping Centre** for the significant contribution they have made to Penrith Cricket Club over many years. Their support has played an important role in the growth of our club and we are sincerely grateful for the trust they placed in us. While we farewell them as sponsors, they will always remain valued members of the Penrith Cricket Club family and we wish them every success for the future.

To every sponsor and partner, thank you for believing in our club, our people and our vision. Your support helps create opportunities for our players, strengthens our connection with the local community and ensures Penrith Cricket Club continues to grow and thrive. We are proud to have you alongside us and look forward to building on these partnerships in the seasons ahead.

CAPTAINS

Many thanks to the following Captains for their commitment and leadership of our teams during the 2025/26 Season:

First Grade:	Ryan Gibson
Second Grade:	Michael Collins
Third Grade:	Daniel Beatty
Fourth Grade:	Taran Finemore
Fifth Grade:	Tim Kennaugh
Colts:	Chris Xuereb
Poidevin-Gray:	Isaac Nicholls
A.W.Green Shield:	Aarush Thakur
Women's First Grade:	Elise Noble
Women's Second Grade:	Sophie Gould
Brewer Shield	Teyana La Brooy

GROUNDS

I'd like to thank and recognise the great effort our two groundsman put into getting the grounds ready each weekend. Brian Cameron and David Hinkley work exceptionally hard to present the grounds in the best possible condition they can for games. Many other clubs operate with a team of ground staff so the work Brian and David do is considerable, especially in times of wet weather. We have started the process to assess the health of the Howell Oval square with the intention of seeking grant funding to either upgrade or replace the square via grant funding. We are very fortunate to have groundsman as part of the club structure and I know they view themselves as more than just employees, they are proud to be part of the club.

I personally would like to thank them for the work they do and look forward to a great season ahead.

UMPIRES

Our thanks to the NSW Cricket Umpires Association for its commitment throughout the Season. Umpiring can be a thankless task and without them we would not have a game to play. For many years now all men's grades on a Saturday have had a full complement of umpires, including the Metropolitan Cup competition.

HONOUR BOARDS (All Grades)

*A player who scores 5,000 runs or takes 300 wickets for the Club is recognised in perpetuity on the Hunter Pavilion Honour Board
