## **PRESIDENT'S REPORT**

**by Paul Goldsmith**

The club had a slightly different look about it as we embarked on season 24/25, with a new men's Head Coach and First Grade Coach, and the departure of 5 senior higher grade men's players. While the loss of these players was disappointing it did create opportunities for players to fill the void, and I believe they exceeded expectations. Our female teams are continuing to rebuild following the loss of a high number of experienced players but the foundations are there for the current players to build on and they are well led with experienced players and a passionate team of coaches.

Our Men's First Grade side had an outstanding season, showcasing consistency and high performance across all formats. They reached the semi-finals of the Belvidere Cup and made it to the quarter-finals of the Kingsgrove Sports T20 Cup. Their campaign featured some truly dominant cricket and reflects the growing depth and quality in our playing group. These results are a credit to the players and coaching staff, and lay a strong foundation for the seasons ahead. I am enormously proud of the manner in which they played and the leadership they displayed within the club.

Second Grade also showed marked improvement, with several of our younger players enjoying breakout seasons that should provide a great platform for further development next year. Michael Collins is to be congratulated on his leadership which was recognised by winning the SCA 2<sup>nd</sup> Grade Captain of the Year award.

Our Women's teams are continuing to rebuild following the departure of a number of first-grade players after winning the First Grade Premiership in season 22/23, but they have a strong foundation with great leaders and a very capable and passionate coaching staff.

Player development remains a cornerstone of our club's culture, we have demonstrated a long history of identifying and nurturing talent. While the Green Shield and Metropolitan Cup teams could not emulate the success of last season, many of these young players will progress through the senior grades in years to come.

Congratulations to those players who earned selection in representative teams throughout the season. There are too many to name individually, but they continue to represent Penrith Cricket Club with pride and promise.

Financially, we remain in a sound position but we are facing some uncertainty with the loss of approximately \$15,000 in car park revenue due to the redevelopment of the football stadium and the renewal of the Panthers grant. At the same time, general operating costs continue to increase in line with cost of living pressures. To help offset this, we will be bringing back the Annual Captains' Lunch, scheduled for November 2025. More details will be shared closer to the date.

I have touched on our wonderful coaches above, but I would like to emphasise how fortunate we are to have such a dedicated coaching panel. They are passionate about the club and player development and each of them has a long-standing relationship with the club and truly embodies the values we pride ourselves on.

I would also like to extend enormous thanks to our fantastic group of volunteers who contribute to the success of our club. Their contributions do not go unnoticed. Special mention must go to Barry Clarence, Chris Hicks, Lorraine Morris, Steve Darby, and Jean Martin, your time and effort are deeply appreciated.

To the committee, thank you for your ongoing support and for all the essential work you do behind the scenes. This club simply doesn't run without a committed team working tirelessly in the background, and we are lucky to have such passionate individuals leading the charge. On the matter of the committee, season 25/26 will be my last season as President of the club, it will be 13 seasons in the position and the time has come for some new leadership and for me to take a break.

Looking ahead, we have a lot to be excited about. We're developing a talented group of young players and laying the foundations for long-term success. At the same time, we face challenges with player retention with other clubs looking to attract our players via big money offers that we simply cannot compete with. Our focus will remain firmly on nurturing and retaining our juniors—an approach that has served us well for generations and will continue to do so.

Thank you all for your ongoing support. I look forward to seeing you back at the club when the new season begins in September.

Regards

Paul Goldsmith

## **MEN's CRICKET MANAGER'S REPORT**

**by Matthew Halse**

The 2024/25 season saw the winds of change sweep through Penrith Cricket Club. We lost a number of senior personnel from the higher grades and we unveiled a fresh, new coaching panel, led by Head Coach Warren Buttigieg and First Grade Coach Shannon Finemore. The emphasis for the season was "Club First" as we set out to redefine our culture and what it meant to play for Penrith Cricket Club.

Putting results to one side, as they should not necessarily be the measure of such matters, the season proved successful from this standpoint. Whilst there is still more to do, the culture created and the atmosphere around the club throughout the season, proves we are on the right path. The challenge now is to continue to live and breathe the values that we embraced this season, continue the hard work on and off the field and continue move forward with a "club first" mentality. This will hold us in good stead as move forward and it will help us navigate any obstacles that may come our way.

Whilst this has been a combined effort from the committee, coaching panel, players, parents and supporters, I'd like to give our coaching panel a special mention. Whilst Butts and Shan were hardly strangers to the place, season 2024/25 saw them both step up in terms of responsibility and leadership. Geoff Sullivan, David Taylor, Tim Whiticker, Tyran Liddiard, Brendon Vella, Peter Betros and Tim Sutton rounded out the coaching panel. Some old faces and some new, but a new energy was brought to pre-season and in season training this season. Without this groups dedication, we would not have seen the steady progression in teams and individual results we saw throughout the season.

Also a big thanks to Chris Hicks who filled the massive shoes of Barry Clarence as our practice captain. Training would not run anywhere near as smoothly without you.

First grade had a particularly strong year, showing what can be achieved by a group of players all pulling in the one direction. We finished the season in fifth place, then thoroughly outplayed a strong St George side in the first finals game, to move through to the semi final. Whilst we ultimately did not get the result we needed in the semi, the team played exceptionally well, and with a bit luck in terms of weather and conditions, they could have well have been off to a grand final.

Fourth Grade stormed home after Christmas, winning outright in the last round to make the finals. An outstanding effort from Taran Finemore and the many players that represented fourth grade during the season.

Brett Newman's fifth grade team had a great season, qualifying for finals in 4<sup>th</sup> spot. Newmo led his team from the front, showing the hard work, discipline and never say die attitude that typified his "first" career in the higher grades. This was never ore on display than in their qualifying final win over a strong St George. Unfortunately the boys went down in a low scoring semi final against Parramatta. Whilst disappointing to not make the final, the experience gained by many young cricketers in the team this season will serve the club well long into the future.

Overall we finished 8<sup>th</sup> in the Club Championship, which from where we came from is a great result. The challenge now is to build on this into next season, the aim must be to finish higher in the club championship and to play more finals cricket

Thank you to our independent selectors, Ron Halse and Dave Williams, for their efforts once again this season. One of the most under rated positions at the club, Ron and Dave gave up countless hours to assist the captains throughout the season.

To our captains, a massive thank you as well for continuing to invest in our club and our playing group. Special mention to Greggo, who has been an outstanding long time servant of the club. Greggo has retired, or as I like to call it “he is having a little rest”. Chris Xuereb returned to the club after 20 odd years to look after the metropolitan cup team. I had the pleasure of playing with Zorro “back in the day”, so to have such a good human back at our club was a massive positive.

To my fellow committee members and numerous other club volunteers, a big thank you. So many good things are happening at a committee level, driven by good people who are dedicated to improving the club.

I am looking forward to seeing what we can achieve in season 2025/26.

## **FIRST GRADE**

**by Ryan Gibson**

The 2024/25 season was a significant one for us. After losing experienced players from last season, the team underwent a cultural and strategic overhaul under new head coach Shannon Finemore. Although we lost experienced players, we believed the guys filling their shoes were up to the task, as the majority had solid experience playing 2nd Grade and performing well.

A lot of people expected us to finish in the bottom five after the departures, but this team was not just here to make up the numbers. Every person in the squad believed we could win competitions. That belief started with the T20 competition at the beginning of the season, where we made the quarterfinals. Unfortunately, we were outplayed by a strong St George side on the day.

We started slowly in the Belvidere Cup, losing our opening two games, which put the team under pressure early and presented our first real speed bump as a new unit. However, the boys bounced back nicely heading into the Christmas break, winning five of our next six games.

In the second half of the season, we maintained our strong form, winning three out of five games. Two of those matches were close losses against the teams that eventually made the Belvidere Cup final. We finished fifth and qualified for the finals, a huge achievement considering many had tipped us to finish in the bottom five.

In the quarterfinals, we faced St George. The boys played unbelievably well—bowling them out for 171 and chasing their total five wickets down—which booked us a spot in the semi-final against Fairfield. The boys fought hard, but Fairfield held on for a draw, knocking us out of the finals race.

Player Highlights:

**Nick Adams** – While he didn't have the season he would have hoped for, Nick's leadership and mentoring of the new guys were second to none. His presence in the field, with safe hands and a bit of chirping along the way, helped create some crucial wickets.

**Cal Kean** – In his first full season in 1st Grade, Cal gained valuable experience. Although he didn't perform to his expectations, there were positive signs. We're looking forward to what he produces next season.

**Jordan Watson** – Moving into the key number 4 position, Jordan stood up well, finishing with 571 runs at an average of 31.72, including five fifties. I believe next season will be a massive year for him.

**Tyran Liddiard** – His experience behind the stumps was crucial. With the bat, Lids did what he does best—applying pressure on bowlers with his aggressive and 360-degree play. His standout innings was a 171 against Blacktown. He ended the season with 668 runs at 47.71, including six fifties and one century.

**Adam Bayliss** – Unfortunately, AB had an interrupted season due to injury. However, in the games he did play, he made significant contributions with both bat and ball, including two fifties.

**Liam Doddrell** – A standout year with both ball and bat. Liam was key to our success, regularly breaking partnerships and taking top-order wickets. He finished with 49 wickets (including four 5-wicket hauls) and 333 runs at 37, with three fifties.

**Sam Grant** – His new-ball partnership with Liam was critical to setting the tone early. With excellent control and the ability to swing the ball both ways, Sam kept batters guessing. He took 30 wickets at 20, including one 5-wicket haul, and chipped in with handy lower-order runs.

**Owen Cole** – Owen didn't have the season he would have liked, but his attitude and contribution off the field were vital. He played a key role in driving the team forward. We expect to see the best of him next season.

**Kaine Balgowan** – Kaine was consistently reliable with the ball, coming on first change and maintaining pressure with his line and length. While he may not have received the rewards he deserved, he played a big role in creating wickets at the other end.

**Isaac Nicholls** – Isaac debuted in our first T20 of the season and pushed his way into the First Grade side late in the season due to his strong performances in 2s. He took crucial wickets in every match and finished with 14 wickets at 17.5, including one 5-wicket haul.

**Ryan Freeman** – "Freemo" returned to his home club this season and fit into the squad seamlessly. With high energy in the field, useful variations with the ball, and valuable runs at the back end of innings, he was a strong three-dimensional player. I believe he's in for a big year next season.

We also had several players step up and contribute throughout the season, helping us reach finals cricket:

**Michael Collins, Zachary Rizzo, Chris de Kretser, Jordan Browne, Clayton Telfer, Max Becker, and Scott Jobling.**

**Debutants This Season:**

Max Becker, Ryan Freeman, Scott Jobling, Chris de Kretser, and Isaac Nicholls.

A huge thank you to everyone who supported the team this year. Coach **Shannon Finemore** played a massive role in rebuilding the culture—not just in our team but across the club. Thank you to **Lorraine** for scoring all season, and to all club personnel who helped on game days and at training. Your support gave us the best chance of winning each week. Thank you.

## **SECOND GRADE**

**by Michael Collins**

Following last season where we fell just short of a finals berth and hit with a plethora of player changes across our top 2 grades, Season 24/25 could have easily been a season for our club where we keeled over and dropped dramatically from our 12<sup>th</sup> place finish in the Club Championship. With an average age likely to be one of the lowest across all 20 clubs, to finish the season 8<sup>th</sup> in the Club Championship ladder, is a testament to the hard work and dedication that never wavered when the going got tough! Congratulations to our 1<sup>st</sup> grade and 5<sup>th</sup> grade semi finalists and our 4<sup>th</sup> grade quarter finalists, a great sign of things to come in the seasons ahead.

For our 2<sup>nd</sup> grade squad, it was an undulating type of season where if a couple of the close games went our way, we would have secured a top 10 position and a positive win percentage. While I feel the 14<sup>th</sup> placed finish (6 wins, 9 losses and 1 NR game) didn't adequately reflect our squad's efforts, it was a crucial year to bleed some more young guns coming through our ranks. Congratulations to Harry Roscarel, Alex Kerkham, Leo Astill, Murray Staines, Will Bell, Will Hicks, Cooper McLean, Mark Gardner, Chase Hayward, Dave Dubey for making their 2<sup>nd</sup> grade debuts, along with Dave Dubey, Ryan Freeman, Chris De Kretser, Isaac Nicholls Scott Jobling being rewarded with their 1<sup>st</sup> Grade baggy this season.

In contrast to last season, it took a couple of rounds for us to get the ball rolling and a pure 2-day win against Hawkesbury in Round 4 was as clinical a run chase you will see. After an energy sapping Day 1 where we grinded away in the field on a docile Bensons Lane, Jobbers laid the platform on Day 2 with a well-earned 77, followed a chanceless century from Browney (135\*) who was well accompanied by Maxy (57\*), putting Hawkesbury to the sword with a commanding partnership and chasing 302 with consummate ease.

There's always a win that defines every season and for 2<sup>nd</sup> grade, that came with the return of T20 cricket in Round 10. With Mosman racing out of the blocks and posting a respectable 178, restricted by a notable bowling performance from CDK (4/31 off 4), our reply with the bat got off to a strong start with Cal and CDK matching Mosman early. Enter Scott Jobling (69\*), with a match winning innings that saw him dispatch 4 balls over the pickets of Allan Border Oval and get the boys over the line with 2 balls to spare. This was the start of a run fest over December-January for Jobbers, crunching another 250 runs from his next 4 games alone, resulting in a well-earned debut in 1<sup>st</sup> grade.

Some outstanding performances of note across the season included: Browney (135\* vs Hawkesbury), Freemoo (5/42 off 19.3 vs Sydney) and Owen (5/36 off 10.5 vs Blacktown). With a number of key contributions and development opportunities for our squad over the season, there is definitely an exciting crop of young talent coming through.

### **Scott Jobling**

A breakout season for our young opener who took his opportunity with both hands and his game went to another level. With a 1<sup>st</sup> grade baggy to commemorate how far he has come, Jobbers was a consistent performer with 4 x 50s and a 2<sup>nd</sup> grade tally of 448 runs @ 34.46 (17<sup>th</sup> in the comp). He showed his potential at the top level and his ability to bat long periods of time with patience and a willingness to do the hard yards early in his innings. He's just getting started!

### **Clayton Telfer**

An amazing right hand man to have as a leader of our squad. Telf is always someone that I can rely on to own his role, be a calming presence and provide great insight from behind the stumps. An opportunity at the top of the order for Telf at times throughout the season showed glimpses of his ability with the bat and if able to convert a few starts, a big score isn't far away. How he didn't finish the season with fingers like twisties is a miracle!

### **Callan Kean**

Cal would be the first to admit that his season was a frustrating one. Backing up a breakout season is always a challenge and while his performances with the bat fell short of his expectations, his work ethic didn't drop and he explored other ways to contribute, putting a tireless amount of work into his fielding, particularly at point and bat pad. Expect a big season ahead for Cal to bounce back and hopefully earn a consistent spot in 1<sup>st</sup> grade.

### **Chris De Kretser**

Starting the year with a Penrith 1<sup>st</sup> grade debut was just reward for Chris' consistency over the last 2 seasons. Injuries, weddings and family events made for a tough year regaining his 1<sup>st</sup> grade spot and I have full belief that he is a 1<sup>st</sup> grade cricketer that can contribute in all 3 facets of the game. His control with the ball is some of the best I've seen for a leg spinner and he was a fantastic mentor for Coop this season.

### **Max Becker**

Maxy had a very solid season with the bat and showed glimpses with the ball while battling away with a couple of niggles. Making the Number 4 spot his own, he compiled 366 runs @ 30.5 (38<sup>th</sup> in the comp) in 2<sup>nd</sup> grade. Max has a great cricket brain and grew into one of our squad leaders this season, taking the reigns as skipper for a few rounds. A big century is just around the corner and if he can convert his starts, Max will be playing plenty more 1<sup>st</sup> grade games next season.

### **Jack Trezise**

It was a real coming of age season for Crack and he is honestly one of our great clubmen. Always rallying around the boys, wheeling along his speaker, comedic material at the ready for the trembling opposition, no one was safe! On the field, Crack felt more at home at 6 and a few cameo performances throughout the season were thrilling to witness. Dispatching balls over the pickets at will, he wouldn't back down when we were in trouble, immediately putting pressure back on opposition bowlers. A brick wall in the field, he is one of the best blokes to go into battle with week in, week out.

### **Zac Rizzo**

With half a year in both 1<sup>st</sup> and 2<sup>nd</sup> grade, Rizz continually bowled our tough overs up front and to close our white ball innings, which is always a daunting task. He was unlucky at times with the ball and often didn't get reward for how he bowled. Ever reliable in the field, Rizz grew as a leader in our squad and a mentor for our young bowling attack this season.

### **Ryan Freeman**

The return of Freemo to Penrith brought back some fire and aggression into our attack, with the majority of his season being in 1<sup>st</sup> grade. When he gets his rhythm right, Freemo is as dangerous as they come, which was on full display with his day out at Drummoyne Oval when he had the Sydney boys wishing they were back in the sheds, on his way to a 5fa. An X-factor with the ball and flamboyant with the bat, the reverse sweeps against Fairfield-Liverpool brought the crowd to life on top of the shed!

### **James Lennox**

One of our big improvers this year and a very consistent member of our 2s squad. Jimmy had a fantastic year with the ball and always had an uncanny knack of breaking up a partnership when the game felt like it was drifting away. Our leading wicket taker with 22 wickets @ 18.55 (20<sup>th</sup> in the comp), which could have been more if he wasn't hampered by a nagging ankle injury. It was a big growth season for Jimmy as he got a better understanding of his game and became very effective when executing a clear plan. His 77 in the final round showed the potential he has with the bat as he continues to improve his overall skillset year on year.

## **Isaac Nicholls**

Absolutely stoked to see this young man get his opportunity in 1<sup>st</sup> grade and his end to the season played a pivotal role in their run to the finals. In 2<sup>nd</sup> grade, Ice deserved a greater wicket tally for the manner in which he bowled, and he genuinely performed better against stronger opposition. His white ball skills made him extremely hard to score freely off and batters never got respite as he made them play almost every delivery. Watch out for the Iceman next season!

## **Cooper McLean**

Getting his opportunity in the back half of the season, Coop's confidence grew in leaps and bounds, and he looked right at home bowling big overs in 2<sup>nd</sup> grade. His speed and spin control has improved immensely, with his performance as our sole spinner against Parramatta, showcasing his potential. Plenty of overs are in store for Coop next season and hopefully that brings a big wicket tally. Fingers crossed he can put Gibbo's bat to good use in the future too!

## **Alex Kerkham**

Our resident speed demon, Kerko picked up a couple of yards this season and it was fantastic to see him rewarded with selection in the NSW U17s. Pushing through a quad injury hindered him from a few rounds of the season unfortunately. He is still learning his craft and as he continues to grow into his body, but I have no doubt that Kerko will continue to improve and become one of the scariest bowlers to face in the competition.

## **Will Sherwood**

Big Will had a few extra opportunities in 2<sup>nd</sup> grade this season and he can be a challenge to face with the new rock when the ball is nipping around. Often zipping a big in swinger that nips away past the outside edge, in the right conditions, he can be a handful. An aggravated shoulder injury unfortunately cut his season short.

## **Murray Staines**

Rocking up looking like a tradie off night shift, Muzz is an absolute cracker to have around the squad. Thrown into the deep end on his debut against a rampaging Manly outfit, he never took a backwards step and took on every challenge head on. A finger injury set him back at the back end of the year, but it didn't stop him returning for a couple of games when the club really needed him. Looking forward to seeing Muzz rack up some big runs next season.

I would also like to acknowledge the other squad members of our 2s squad for this season, **Harry Roscarel, Will Bell, Leo Astill, Kaine Balgowan, Sam Grant, Jordan Browne, Liam Devaney, Will Hicks, Mark Gardner, Chase Hayward, Brendon Vella, Owen Cole and Dave Dubey.**

Thank you to all members of our 2s squad, it's always a pleasure to take the field with you lads and I've appreciated all your efforts over the course of the season. A massive shout out to **Geoff Thornton and Rob Jobling** for their assistance with scoring this season, the boys are very thankful for you both!

To our **club committee members**, thank you for the tireless work that you all put in behind the scenes that often go unrewarded. Without your support and hours of work, our playing group wouldn't have the opportunity to represent the Penrith badge every week. Thanks to **Cam** for his work preparing Howell throughout the season.

As every visiting club knows, there's no debate that we have the best Chicken Burgers in grade cricket! Thank you to everyone that pitched in at Howell for our home games, with particular mention to **Sully, Goldy, Leanne and Cam**. Your efforts to make our lives easier at Howell throughout the season were much appreciated and the PCC hospitality is second to none! For

someone we didn't think we'd see much this season, it was always a pleasure to have **Barry Clarence's** presence, we love ya mate!

A big thank you to our **Coaching group** that continually drove high standards and kept morale levels up when the tough times hit. Thank you to my fellow **Captains** for all the great conversations and ideas shared over the season. You're all in the role for the right reasons and your passion and dedication is infectious. Well done to our entire Men's and Women's **Playing group** for not throwing up the white flag this season, when we could have easily done so. We may be rebuilding, but the foundation we're creating is setting us up for a future of success!

One final shout out, it would be remiss of me to not congratulate **Pete Gregersen** on his retirement after an amazing career with Penrith. For anyone that's played with Grego, if you knew he was in your team that week, you were in for a barrel full of laughs, a whole lot of noise and you were playing with a bloke that would never give in. We hope to see you back one day mate, you've left a lasting legacy at the Cats!

## THIRD GRADE

by Peter Gregersen

The 2024/25 season started with the honour of captaining our thirsty Thirds side once again. It was an eye-opening, privileged, and challenging experience all in one—and one that I thoroughly enjoyed.

Our season began at Trumper Oval against a tough Eastern Suburbs side in Round 2. After 50 overs in the field, I knew it was going to be a challenging season, but a rewarding one—watching these younger boys improve as the season went on. I knew we'd have to ride the lows, but also make sure we enjoyed the highs.

In our first four games, we could have won all of them. But with a lack of experience and players still finding their feet, we fell short a few times. Catches win matches—and a bit more maturity with the bat might have seen us come away with one or two wins. Hopefully that's something we take into future seasons.

Then came Round 6, where we got our first win of the season against a typically tough Manly outfit. It wasn't a picturesque performance, but we showed the fight and grit that had been missing earlier in the season. This time, we came out on top—it was very rewarding and thoroughly deserved.

We went back-to-back with another win against Sutherland in a nail-biter, showing even more heart from the boys. Standout performances came from Liam Devaney, Riley Brandl, and the ever-reliable Adam Burton.

After some wet weather delays, we rolled into the T20s before Christmas. If the captain had held his catch, we would have beaten Mosman—but I dropped the bloke on 0 and he went on to make a match-winning 70-odd not out. Like I said earlier—catches win matches. Do as I say, boys, not as I do... ffs.

I challenged the boys to win 3 of our last 5 games after Christmas—and we delivered. We won 4 out of the 5, including bowling Fairfield out for a humiliating 38. Other wins came against Randy Pete's, Sydney Balmain, and Blacktown. Our only loss was to the eventual premiers, Parramatta—something Parra footy fans aren't used to hearing: "premiers." The boys were humming and really turned up with a point to prove. I'm really proud of how the guys carried themselves throughout the year.

I want to congratulate **Riley Brandl** on winning our Player of the Season. This kid came from 5s to 3s when we were short on bowlers, and he more than delivered. Watching Riley grow in confidence and watching his bowling improve was one of the great joys of captaining this side. He's a real asset to any team he plays in going forward. I hope he gets the right opportunities and support from his captains in seasons to come.

Another standout this year was **Liam Devaney**. He had a brilliant season with the bat. He took preseason feedback on board and ran with it—showing maturity beyond his years.

To all the lads—thank you for a really enjoyable year. It honestly upsets me that I won't be going around again next year—family time has come—but maybe in a couple of years I'll be lured back. I really did enjoy it.

A big thank you to **Barry Clarence** for turning up, supporting, telling home truths, taking photos, and enjoying our arvo teas. I love having him around, and he'll be missed when he eventually moves to Port Macquarie. Thank you, Barry.

Well done to all sides this season, especially those who made the finals. Younger boys—trust me, you'll realise in a few years how hard it is to finish in the top six. So relish it, and enjoy finals cricket when it comes around.

Maybe that was my last season. If it was—**thank you, Penrith Cricket Club.** I've loved every last second of it. Thanks for the memories.

## **FOURTH GRADE**

**by Taran Finemore**

What a journey this season has been for the club. A big part of this season's success lies with the fantastic work of not only the players themselves, but the coaches, captains, selectors and committee working tirelessly to build the sense of community and drive around the club set the foundations for a club-centred culture of success. Warren Buttigieg, Shannon Finemore, Brendon Vella, Tim Whitaker, Tim Sutton, Peter Betros, and Chris Hicks, your work with players and commitment to coaching and player development has been fantastic. To Ron Halse and David Williams, thank you again for your support with selections for another season, a tough job. Ryan Gibson, Michael Collins, Peter Gregersen, Brett Newman, and Chris Xuereb, thank you for your support and congratulations on all your respective seasons. You've all been great leaders for this club this season, and notably Michael who has been recognised as 2nd Grade Captain of the Year. Shout outs to Geoff Sullivan, the club stops without you, and to numbers maestro Lorraine Morris. Congratulations to Dave Hinkley, as his hard work this season at Bill Ball Oval saw it elevated significantly up the ground rankings and deservedly so.

Our season was one that saw this side dominate teams that did not turn up to compete, take games deep and execute in the clutch moments, but ultimately didn't quite have the polish to consistently take down the competition leaders, despite a bold defeat of finalists Parramatta on their turf. The tenacity of this side was best highlighted with our final round must-outright win against a hapless Blacktown, being cheered on by our clubmates from 1s and 2s, to leap-frog multiple sides to sneak into the top 6 for finals. I hope those involved were inspired by this bold push for the finals to always take games, the season even, as deep as you can, trust your skills, your teammates, because you never know in this great game.

**Adil Tariq** began the season with early opportunities in 3s, but was faced with challenges and setbacks that saw him return to 4s. While disappointing for Adil, he soon warmed into the season and demonstrated his class with the bat, in the field, and eventually (when the captain remembered to bowl him) with the ball. A hot favourite every game for fielder award, Adil finished his season in great form and is well set for future success, so long as he isn't caught running between the wickets with Venni.

**Ashton Russell** is a deserved winner of this season's "Rookie of the Year" award. A gentleman off the field, competitor on the field, Ashton displayed his skill with the bat multiple times this season and was a pillar of the batting line-up. A highlight innings being his 81 against Randy Petes, leading a valiant attempt to chase their total of 223, having ultimately spent the whole 120over day in the middle. Ashton also impressed regularly with his sharp slips catching ability, with his readiness to support the side off the field with covers and lifts, Ashton has had a fantastic season with the Cats and I look forward to seeing what the future holds.

**Brendon Vella** was a late injection of experience into the side, and I'm grateful for having had his support and knowledge to help develop this side of young cricketers. The Falcon may still be in recovery from his mammoth 4fa off 30overs in the qualifying final, in what was a great display of line and length bowling on a road. Still good for a blow up, a beer after the game and continues to be a great teammate.

**Caleb Hill** was an asset every time he took to the field, providing reliable hands beneath catches, and fire and class with the ball. Caleb would come in clutch multiple times throughout the season both with his opening spells, or breaking partnerships with the old ball. A master of cricket ball maintenance, a skill lost on many, Caleb was also great support off-field as well. While Caleb's 5fa dismantling Blacktown was crucial in our chasing a top6 finish, his standout spell for mine was his opening spell against Sutherland, picking up multiple early wickets putting the Sharks behind the game and setting us up for a dominating win.

**Danny "Tinman" Dent** has surely reached icon status, such is the marvel of his longevity and value to our club. Whether it be covers any day of the week, a miserly spell with the ball, a well-

timed call in the field, or knowledgeable insight after the game, Tin never fails to be an exemplary teammate and clubman. It is an honour every time I step onto the field with you.

**Finbar Hicks** was a great member of 4s run to the finals, showing his capacity for leadership on the field, a notable example being his strong knock of 60 against competition powerhouses Parramatta, weathering sustained pressure and setting up the innings for a late flourish from the lower order. Fin consistently demonstrated club first values through out season, from pre- to post-, leading fitness sessions, helping push his teammates, and being a standard bearer of the club's revitalised values.

**Julian Aldridge** provided a great service to the club this season, bolstering our experience in the middle grades and supported our development of younger players in 3s and 4s. Julian may have had a disappointing season with the bat, but he was razor sharp in the field both skill-wise and tactically, always providing great support. Ruthless but classy banter as well, I hope to see Julian return next season to find those runs and wickets.

The poster child himself, **Matthew Hamilton**, had for me, a great season, one that threw challenges at him that I believe he'll be better for. Playing in a few grades across the season, Hammo found his form around the t20s and didn't look back, ending the season full of confidence having on multiple occasions batted game changing tailwags, and finding his voice in the field, standing atop his mark, speed dealers on, pill twirling from left to right, cheekily chirping the opposition.

**Osama Sahi Shahid**, who would have thought when this gentleman turned up to pre-season, unassuming but full of passion for the game, that he would have such impact on the lower grades. I am certain both the Hawks Colts and 4s sides are still wondering what magic this man wields with the cricket ball. In an unorthodox case, shooting from Colts to 4s on the back of performance and a need to balance youth and experience in 4s, Osama plied his craft with aplomb. None more evident than his 3/10 and 5/17 against Hawks in a dominant match-winning performance. The crowd is still booing me for taking him off in the second innings.

**Riley Killeen** had a fantastic season, starting in 5s and playing as high as 3s, on top of his second Green Shield season. Riley announced himself early with a pressure knock at Tunks Oval, scoring a top-notch 70 and leading us to a game winning total. Sometimes keeper, sometimes fielder, Riley delivered regularly throughout the season and found himself at times having to sacrifice his wicket for the team in pursuit of late runs. Riley was always putting the side first. A contender for the most hardcore moment of the season, Riley having copped a ball to the teeth taking a catch (yes, he caught it), he proceeded to crack his front teeth back into place and continued keeping unphased.

**Vishal "Venni" Sharma** is the gift that keeps on giving. A source of great banter around the team, Venni is a great worker and passionate about improving himself and pushing his limits. Always training late, taking on his criticism, something that has seen his fielding skills skyrocket having harnessed his natural athleticism. Venni is another who will be better for this season, bowling multiple crucial spells, including a hattrick. But maybe have a chat with Adil (see above).

**Zachary Williams** had a disrupted season with injury, however finished with a flurry, scoring a fast-paced 55 in the qualifying final having just kept for a day and a half. Here was one of a few examples of what Zach is capable of with the bat, not afraid to set our innings off with positive intent. Zach really warmed into his keeping this season and finished off well and should be proud of a season that included his PGs debut.

Unfortunately I can only write so much in these reports, and the following legends will only get shoutouts for their contribution to this season, which in no way undermines the importance of their role in our season: Saarim Ghias, Adam Burton, Lachlan Hood, Jacob Thompson, Fred

Bell, Jesse Shandler, Tom Seldon, Wyatt North, Riley Brandl, Osama Sahi Shahid, Lachie Rummans, Jack Newman, Will Hicks, Tom Muir, Archer Sproule, and Saarim Murad.

To say I have a great sense of excitement for the coming seasons for Penrith would be an understatement. That I see great things for this fantastic group of individuals who I believe will be there to take the season deeper in 2025/26. It could be a tad premature to make such a bold claim, but I am confident big things are coming Penrith's way.

## **FIFTH GRADE**

**by Brett Newman**

Captaining the 5th Grade side this year ranks as one of my favourite cricket seasons ever. At the start of the season, I was quietly confident that we could go a long way in the 5th Grade competition, given the young talent we had at the club.

The 2024/25 season, however, didn't start as planned. We found ourselves winless after the first six rounds, with two games washed out, one draw, and three losses. Those losses came against Eastern Suburbs, North Sydney, and Manly—teams that were much older and more experienced than our young side.

We had a lot of young players experiencing their first full season of grade cricket. Despite not having a win to our name, our team culture was excellent. The young ones were enthusiastic but still learning the differences between junior and men's cricket. I knew that once we got our first win, belief and momentum would take over and our season would flourish.

Our first win came in Round 7 against a strong Sutherland side. From that point, we didn't lose a regular season game for the rest of the year. We won the next 10 rounds, including our final game against Blacktown by outright, finishing in the top four. It was an unbelievable turnaround in belief and form from those first six rounds. Each game, a different player stepped up and performed exceptionally, contributing to our wins. We had created 11 match-winners in our side.

The performances from all the young talent this year were a testament to the hard work they put in at training and their passion to fight in every game. Many of them were rewarded with debuts in higher grades and performed at that level, which was great to see for their development.

### **Finals Series**

After the regular season, we qualified in 4th position and faced 3rd-placed St George in a two-day quarter-final at Olds Park. St George, a much older and experienced side who had lost only one regular-season game, would have felt confident against our young team. We bowled extremely well on a very flat wicket, dismissing them for 242 off 96 overs.

With 93 overs to chase the total, the wicket deteriorated badly in the heat, making our chase even tougher. We found ourselves in trouble at 5/73. But the belief and never-give-up attitude we had built throughout the year paid off—we won the game on the **last ball of the day** with one wicket in hand. It was one of the best wins I've ever experienced. All the boys loved it. At that point, I truly thought this was going to be our season.

Unfortunately, our campaign ended in heartbreak with a narrow loss to Parramatta in the semi-final. In a rain-affected game, the whole team worked hard with super soppers to ensure the game went ahead. Sadly, it didn't go our way. We dismissed Parramatta for 107 but were bowled out for 85.

A disappointing way to finish, but I couldn't be prouder of every player's commitment. The development this team has shown will serve them well in future seasons. I hope they all go on to play higher grades.

### **Individual Player Highlights**

#### **Jacob Thompson**

Had a great season opening the batting. His best performance in 5th Grade was a classy 94 against Sutherland, narrowly missing his maiden century. Also bowled handy spells of leg spin later in the season. Rewarded with a 4th Grade call-up and scored 50 against Parramatta. Great season.

**Ray Dent**

Exceptional behind the stumps. A true team-first player, Ray earned the club's Wicketkeeper of the Year award for the most dismissals across all grades. Also contributed valuable runs—his top score was 68 against Sydney. Once he converts his 20s and 30s into big scores, the sky's the limit.

**Wyatt North**

Switched from medium pace to left-arm orthodox spin this season—a brave and successful decision. Took 6/47 against St George in the quarter-final and earned promotion to 4th Grade, where he also claimed a five-wicket haul. A great team player and invaluable on and off the field.

**Lachlan Hood**

One of the hardest trainers in the club. A patient top-order batsman with a great attitude. Scored 58 against Hawkesbury and earned selection in 4th Grade, where he also performed well.

**Rahil Prajapati**

A valuable all-rounder. Took crucial wickets and made key runs lower down the order. Best bowling figures were 5/24 against Blacktown, with several handy 20s with the bat.

**Daniel Miklosz**

Returned after Christmas and was a game-changer. Opened the bowling, regularly taking wickets in his first over. Best figures were 5/34 against Parramatta. A great mentor to the younger bowlers.

**Paul Williams (Bushy)**

Came out of retirement to support the younger players. Despite joining later due to work, he opened the batting with intent and played a key role in our success. Best innings was 52 off 28 in a T20 vs UNSW. A fantastic support on and off the field.

**Jack Newman**

Fantastic first full season in Grade. Promoted to 4th Grade and took 3 wickets on debut. Developed massively over the season, learning how to bowl to plans and taking consistent wickets. Best figures were 4/16 off 9 vs Randwick-Petersham. Also a promising lower-order bat.

**Saarim Murad**

Took his chance in 5th Grade late in the season. Bowled aggressive in-swing spells, with best figures of 3/20 off 7 vs Fairfield-Liverpool. Energetic in the field and a great trainer.

**Fred Bell**

Talented young bat with all the shots. Promoted to 4th Grade during the year. Standout innings included 66 vs North Sydney, 51 vs Blacktown, and 55 off 42 in a T20 vs Mosman. Huge future ahead.

**Matthew Hamilton**

A match-winning leg spinner. Took 4/29 off 10 vs Randwick-Petersham and regularly bowled spells above 5th Grade standard. Contributed key late-order runs in close wins.

**Lachlan Nelson**

Started strong in 5th Grade after an excellent Metro Cup season. Sadly, a serious finger injury cut his season short. Took 4/38 vs Sydney Uni before injury. Still turned up and supported the team—a credit to his character.

**Blake Nelson**

Learned valuable lessons about the ups and downs of Grade cricket. Always gave his best, kept

well in 5s, and was an outstanding fill-in fielder—particularly vs Randwick-Petersham. Keep working hard, and rewards will follow.

**Nadil Jayokody**

Very talented bat who scored a superb 71 against Hawkesbury at number 3. A quiet achiever—very humble. Looking forward to seeing his development next season.

**Ashton Russell**

Only played 4 games in 5s before promotion to 4th Grade. His 112 against Hawkesbury in Round 4 set the tone. Deservedly won the club's "Rookie of the Year" award.

**Daniel Jarvis**

A promising left-arm bowler in his first Grade season. Best bowling: 3/35 off 12 vs Hawkesbury. Aggressive with the bat and a natural leader.

A big thank you to Nathan Jenkins, Finbar Hicks, Lachlan Bowles, Riley Killeen, Osama Shahid Sahi, Brendan Vella, Tom Seldon, Caleb Hill, Flynn Caston, Henry Laurie, Vedh Christy, Ryan Burfitt, Tom Muir, and Jesse Shandler for your contributions and support to 5th Grade this season.

Thank you to Bushy and Mikka—your leadership and support were huge reasons for the team's success. The way you guided the younger players was outstanding. I truly appreciate your efforts.

To Wyatt—the time and effort you give to this club are incredible and often go unnoticed. From helping with covers to mowing outfields, you're a brilliant role model. Thank you.

Katrina Hood, thank you for scoring live every game. Your presence and support were a huge help, and I know all the boys appreciated your time and effort.

Dave Hinkley, thanks for all your hard work at Rance Oval. Despite a tough year and tricky weather, you gave us the best possible surface each week. We noticed—and appreciated it.

To Goldy, Sully, Cam, Shakes, and everyone on the committee—thank you for everything you do behind the scenes.

Hicksy, thanks for your work as practice captain and for keeping training sharp and organised.

Barry Clarence, thank you for your support of 5th Grade. The photos you took gave us lifelong memories—some absolute gems from the season.

And finally, the biggest thank you to my wife Leanne—thank you for letting me pretend I'm still young and play the game I love. To my little bloke Aidan, thank you for your patience while I played alongside your older brother, Jack.

And Jacko, thanks for wanting to play alongside your dad. I've loved every minute of it and will remember this season forever.

## **COLTS - METROPOLITAN CUP**

**by Chris Xuereb**

What a fantastic group of young men we have at our club.

The effort, teamwork, and camaraderie are a credit to the culture that has been established at the best cricket club in Sydney.

What a humbling experience this season was for me. To have the privilege of leading a team of, firstly, quality young men—and also players with the ability to become high-level grade cricketers—gents, it has been an honour.

We started the season on fire, unbeaten for the first six rounds. The team was really starting to gel. However, the mid-season grind took its toll on our side, with injuries throughout the club affecting the continuity of selections.

We finished the season in 8th place, narrowly missing the finals by just 3 points—showing what could have been, especially after beating the eventual Metropolitan Cup winners, Campbelltown, in the final competition round.

### **Notable performances:**

- Nathan Jenkins – 100 vs Randwick Petersham
- Daniel Beatty – 142 vs Campbelltown
- Muir – 5-24 off 17 overs vs Randwick Petersham
- Ray Dent – 5 catches vs Warringah
- Vehd Christy – 5 catches vs Campbelltown

I would like to show some appreciation to:

- **The players' parents** – You provided great support to the team: getting your sons to and from practice and games, helping with scoring, warm-ups, encouragement, last-minute equipment dashes, and even the occasional beer for the old captain.
- **The club coaches and practice captains** – Always available for players to learn from, and driving expectations in a professional manner. You facilitated fun and smooth training sessions.
- **The club committee** – A hardworking group of legends. Always helpful and supportive.
- **The captains and selection committee** – It was a lot of fun getting to know you all. Your advice and guidance were extremely helpful. (Greggo, enjoy your weekends with the family!)
- **Cammo and Dave** – Our groundmen, who expertly prepared our grounds and practice pitches each week.
- **Barry Clarence** – A club legend. Our quiet conversations and your banter in and around the team were always welcomed and appreciated, as were your photos throughout the season.
- **And last of all, the players** selected to represent our great club—your support and encouragement for our Metro side is a credit to you all. As individuals, you might not see

your influence on a young cricketer, but every kind word of encouragement or piece of advice leaves a lasting impression and has a real impact on an up-and-coming player.

The PG's 2024/25 season felt like a bit of a new era for the team with a lot of new faces in the squad, as well as new coaches Chrissy and Kaino with Shan overseeing the squad. Whilst results were disappointing throughout the season, finishing with only 2 wins from our 7 games, we played good patches of cricket throughout however we just couldn't put full performances together to get us over the line.

We started the season against eventual finalists Bankstown, knowing it was crucial to pick up wins in the one dayers with the multi format structured season. Having kept Bankstown to 8/217 we fell short chasing 18 runs with all our top 5 making starts but no one putting their hand up to get the job done.

The next 4 fixtures were T20's, and we bounced back in a big way against Sutherland at Howell with a convincing win. Posting 5/139 batting first thanks to 66 off 47 balls from Harry Roscarel. We rolled Sutherland for 83 with everyone contributing but Issac Nicholls was the standout taking 4/10 off his 4 overs.

We then had a close loss against Sydney at Bensons Lane before going into a T20 double header at Howell where we really needed to start winning to have a chance at playing in the finals. After getting beaten in a rain-affected game against a very good Parramatta side in the morning, we won what became a must win game in the afternoon against Hawkesbury.

To finish the season, we had 2 one day fixtures which we had to win to make finals. Unfortunately, we lost both games, going down in the last over against Gordon a couple days before Christmas in a very close game. Scott Jobling carried his bat throughout the entire innings, scoring a classy 125 off 143 with contributions around him but no partnerships big enough to get us to an above par total, going down in the last over defending 232. We then lost to Northern Districts after Christmas with some of the younger boys in the squad taking on some bigger roles and gaining experience for future PG's campaigns.

Whilst it was a disappointing season on the field, like every year PG's was a great team to be a part of with a lot of fun had both on and off the field. I feel as though the squad did learn from what went wrong during the season and will be better equipped to win those close games in the future. With 7 boys debuting throughout the season and plenty more with years left in the side, I'm sure with the experience gained the boys will feature in the final series within the next couple of seasons.

A big thank you to Chris De Kretser and Kaine Balgowan for giving up their time and doing a great job coaching us boys without much notice and to Shannon Finemore who has coached all us boys for all our underage cricket at Penrith and played a major part in our development as cricketers.

## **LOU BENAUD CUP**

**By John Benaud**

Since its inception in the 2012-13 season the Lou Benaud Cup had been played for by Penrith and Parramatta AW Green Shield squads on the hallowed turf at the historic Bradman Oval, Bowral, an annual contest on the first Sunday in October. The idea was to offer young emerging cricketers an opportunity to enjoy a large slice of cricket history, as well as a good cricketing day out.

In recent seasons changing circumstances meant that the arrangement became problematic and it was decided the best way to preserve the fixture in the cricket calendar would be to play it on a rotating home and away basis, the venues to be Howell Oval, and, eventually the newly refurbished Richie Benaud Oval at North Parramatta.

On October 6, 2024 conditions at Howell were good, although with a “winter coat” in the form of a slowish pitch and outfield. Penrith won the toss and batted and openers Jacob Thompson and Fletcher Byrne remained in command (89 from 20) until Parramatta introduced spin. Boundaries dried up, even twos, and at the 30-over mark the score had only advanced to 120, three down and the new batsmen struggling.

Parramatta used nine bowlers, the last six being the wicket-takers with a canny talent to mix up their pace, and well use the pitch conditions. Penrith reached 6 for 188 from their 45 overs, the pressure containing them to 68 runs from the last 15 overs.

Parramatta blazed to 37 off five overs, then lost both openers when Cooper Hegarty and Archer Sproule, brought some discipline to the attack. It was to be short-lived because the new batsmen, a very talented right-left combination, Advik Ajitkumar (57-8 fours) and Evan David (77-9 fours, 1 six) assumed total control.

They took the score from 2 for 38 (10 overs) to 170 (30 overs). Parramatta passed the Penrith total in 34.2 overs. Best of the overwhelmed Penrith bowlers was Archer Sproule, 2 for 33 off nine overs. Parramatta have now won the Cup ten times from a dozen starts.

**\*\* Lou Benaud was the father of Test cricketers Richie and John Benaud, both of whom played for Cumberland, before it became Parramatta. John also played for Penrith.**

## **A.W. GREEN SHIELD**

**by Ross Kerkham**

The 2024/25 Green Shield season was a time of change for the club, particularly around coaching and the selection process compared to previous seasons.

Ron Halse, who has been a huge part of the club for many years, stepped into the role of Coaching Consultant and Head Selector. His experience and knowledge were key in ensuring that the selection process was fair and transparent.

Although I had the opportunity to coach the team this season, I wasn't involved in the selection of the players prior to my appointment. I really appreciated Ronnie's support and guidance once I came on board.

Before the team was finalised and the season got underway, Ryan Gibson and Max Becker ran all the pre-season sessions. From all reports, the boys really enjoyed these and got a lot out of them. It was a great way to kick things off and helped set a positive tone early on.

I also want to give a special mention to Shannon Finemore. Shannon has been an important figure in our Green Shield program for many years—building strong relationships with younger players and guiding them through their development.

### **Round 1**

We hosted our local rivals, Hawkesbury, at Howell Oval. We started the game in full control, having Hawkesbury 3/45 after 17 overs. Wicket-takers were Daniel Jarvis (2/19) and Jack Newman (1/11).

Unfortunately, due to the new heat policy implemented by Cricket NSW this season, the game was abandoned because of the Heat Stress Rating Index. Frustratingly, ours was the only match called off in the entire round.

Our DLS target for 15 overs was going to be 58, which I felt was very achievable. Ultimately, it was the two umpires who made the decision—not us.

### **Round 2**

We travelled to Waverley Oval to play Eastern Suburbs. Winning the toss, we batted first on what looked like a very good wicket. We batted strongly, putting on a competitive 7/227 from our 50 overs. Standout performances came from Fred Bell (53 off 46) and Jacob Thompson (43 off 92).

We bowled and fielded exceptionally well, dismissing Easts for 134. Pick of the bowlers were Ekam Singh Bhambra (4/35 off 10) and Cooper Hegarty (2/5 off 5).

A fantastic win.

### **Round 3**

Back at home, we played Sutherland at Bill Ball Oval. We won the toss and batted first on what was a belter of a wicket. Before the match, we discussed the importance of hard running between the wickets, as the ground offers many chances for 2s and 3s.

We batted excellently, with a strong partnership between Jacob Thompson (82 off 120) and our country player, Fletcher Byrne (76 off 84). Fred Bell chipped in late with a quickfire 31\* off 27, helping us post a commanding 5/259 from our 50 overs.

Sutherland batted well and fought hard. Jack Newman bowled phenomenally, taking three crucial wickets (3/24 off 8), supported well by Archer Sproule (2/21 off 6) in the middle overs. We managed to restrict them to 9/245, giving us our second win of the campaign.

#### **Round 4**

After the Christmas break, we met Campbelltown at Raby Oval. With some rain leading up to the game, the wicket looked soft and we hoped to exploit the conditions. Winning the toss, we bowled first—but unfortunately, our bowling early on was poor, giving away too many free runs.

Despite this, Archer Sproule (4/28 off 10), Ekam Singh Bhambra (2/25 off 10), and Jack Newman (2/28 off 10) bowled brilliantly, especially at the death, restricting Campbelltown to 9/179.

Given our recent batting form, we felt confident. However, our innings didn't go to plan. We lost wickets in clumps, with only Ryan Burfitt offering real resistance with a determined 33 off 76. Despite Campbelltown bowling 39 extras, we were dismissed for 171 in the 48th over—falling just 8 runs short.

Their spinners bowled well, but we lost this game more than they won it.

#### **Round 5**

Travelling to Balmoral Oval to face UNSW, we won the toss and chose to bat. Unfortunately, we lost both openers early. Fred Bell again anchored our innings with 78 off 105 balls, supported by Fletcher Byrne (32 off 52) and Ryan Burfitt (26 off 61), helping us post 175.

We bowled and fielded superbly and took the game right down to the wire. UNSW passed our total in the 48th over, 8 wickets down. Cooper Hegarty and Jack Newman took two wickets each, while Henry Laurie and Ekam Singh Bhambra claimed one apiece.

Another close game.

#### **Round 6**

Back at Howell Oval, we played Western Suburbs. Sent in to bat after losing the toss, we struggled again, losing wickets regularly. A last-wicket stand between Cooper Hegarty (17 off 39) and Archer Sproule (13 off 38) helped us to 9/137 after 50 overs.

Western Suburbs made short work of the target, chasing it down in the 28th over for the loss of just two wickets. Ekam was the only wicket-taker with 2/31 off 6.

#### **Round 7**

We finished the season against St George at Harold Fraser Oval. After heavy rain, we managed to start a reduced 23-over match. Batting first, we scored 6/129. Ryan Burfitt top-scored with 39\* off 40, with contributions from Riley Killeen (38 off 28) and Jacob Thompson (29 off 45).

Unfortunately, St George's number 3 played an outstanding innings—83\* off 51—and won the match for them almost single-handedly. They passed our total in the 17th over, finishing 3 down. Ekam took two wickets, and Cooper Hegarty contributed a run-out from the boundary.

#### **Season Wrap-Up**

We finished the season in 13th position, but the ladder doesn't truly reflect how competitive we were. Apart from the match against Wests, we were in every game—and the season could have looked very different had we won a couple of those close matches.

I'm incredibly proud of the effort and attitude from all the boys.

A huge thank you to Sam Grant and Kevin Geyer for assisting me with coaching. I genuinely appreciated your time and input during training. The boys are all better cricketers thanks to your experience.

A massive thank you to Andrew Laurie for managing the team and organising everything off the field. Your help was invaluable. Thank you also to Coralie for arranging all the lunches at home games—I'm sure all the boys appreciated it. Thanks as well to all the parents who contributed.

A special thank you to Geoff Thornton for travelling to every game and being our scorer. Your time and effort were greatly appreciated.

Thank you all for a great season. The boys created some fantastic memories both on and off the field. I hope the friendships built this season last a lifetime.

Wishing every player the very best in their future cricketing careers.

## **WOMEN'S FIRST GRADE**

**by Samantha Arnold**

The 2024/25 season has come and gone and the LadyCats experienced another development year which was compounded with a number of injuries which stretched the team and overall squad. Although the amount of winning results did not eventuate, there were a number of games which could've easily gone our way. These experiences will only help with the growth of our players and overall squad for the coming season.

Regardless of these results, throughout the season, the willingness of the squad to train and support the other teams within the Club always remained strong, a testament to the club culture within Penrith Cricket.

### **First Grade Debuts:**

#### **Cap 85 - Aanya Siingh**

Aanya was welcomed to the club for her first season as a strong up and coming prospect within cricket. Despite her young age, Aanya was able to show her ability within the first grade forum. The Club pushed for age dispensation as injuries formed and Aanya's opportunities opened. Aanya grew in her game whilst playing with the senior players achieving 202 runs at 16, 13 wickets at 19 and 4 catches. We look forward to Aanya's continued commitment and growth at the club.

#### **Cap 86 - Isabella Bradley-Labra**

Our girl Issy, kind but fierce when it comes to the ball. Issy is a true junior of the club, representing Penrith in all representative teams including Junior Representative cricket, Molly Dive, Margaret Peden, Brewer Shield, Second Grade and all the way up to her First Grade debut in the 2024/25 season. Issy's commitment to training and club activities along with her developing pace and agility within the field contributed to her debut opportunity. Her debut match involved bowling to 2024/25 Premiers St George, with NSW Breaker and Australia A player Tahlia Wilson at the other end. Issy not only bowled to her plans, but kept to 0 for 7 off 2 overs within a T20 match against a current professional. Issy's future at Penrith is one that can last many years, she is a true asset to the culture, and embodies the values of teamwork and commitment.

#### **Cap 87 - Liberty Heap**

Liberty came bustling over from the UK with a spring in her step and enormous energy, making connections with players throughout the club instantly. Originally, Liberty intended to join Penrith Cricket Club for the 2023/24 season however injury stopped her travels down under. After only a few games in the black kit, Liberty unfortunately sustained an injury and was required to fly home for rehabilitation due to touring duties. Liberty's zipper pace, energetic fielding and solid batting form was just what the team needed. Hoping Liberty has the ability to travel once again and hopefully a full season as a Lady Cat to come!

### **2024/25 Season - Player review**

#### **Aimee Ravot**

Following her outstanding form in season 23/24, Aimee continued to spin her way through batters taking 21 wickets at 23.52. Aimee played a crucial role in our bowling lineup, consistently taking wickets at pivotal moments throughout the game.

#### **Gunisha (Genie) Garg**

Full of energy, Genie is a versatile and well-rounded player who made valuable contributions with both bat and ball throughout the season. A fierce competitor, she was always eager to

involve herself in the game and make a meaningful impact. Genie ended the season with 7 wickets at 39.71 and 120 runs at 12.

### **Keira (Jobbo) Jobson**

After being promoted to the opening position, Jobbo had a successful season, scoring 224 runs at 14. A selfless and dependable team player, she consistently put the team's needs first and did what was asked of her. On the field, Jobbo was a vocal leader, constantly encouraging and uplifting her teammates.

### **Jane Maguire**

Our Irish international player Jane, donned the pink and black for our first game of the season taking 1 wicket. Jane's Aussie summer was unfortunately cut short as she sustained a knee injury at training.

### **Ella Tilburg**

Ella played a crucial role behind the stumps and made a significant impact taking 15 catches and 11 stumpings, taking out second most dismissals in the competition. With the bat, Ella showed consistency scoring 266 runs throughout the season at an average of 19.

### **Emma (Hughesy) Hughes**

Hughesy steamed in off the long run up, intimidating the opponents and taking 10 key wickets at 24.8. Hughesy sustained a serious lower leg injury which sidelined her for multiple weeks, however, she continued to show up each week to support and encourage her teammates.

### **Elise (Ned) Noble**

Coming off a strong 23/24 season, Ned continued her form with the bat leading the run scorers for Penrith scoring 379 runs at an average of 23.69. Ned had an important role supporting Sammy with captaincy decisions and standing in for her when she was injured/away.

### **Callee Black**

Callee made valuable contributions with both bat and ball throughout the season, scoring 199 at 22.11 and taking 8 wickets at 21.75. Callee was a standout in the field, taking sharp catches and cutting ball offs which can be attributed to her strong focus and commitment to the team.

### **April Darby**

Although April didn't have the season she had hoped for with the bat, she consistently showed up with a positive attitude and unwavering support for her team. Her enthusiasm carried onto the field, where she played with energy and focus, taking 3 valuable catches.

### **Sam Arnold**

During round 6, Sam sustained a broken knuckle highly restricting her ability to contribute to the game. Sam was sidelined for fielding until after the Christmas break, however batted where she could to support the team. Despite this, Sam scored 263 runs at 20.23, took 6 catches and took 6 wickets at 31.83. Sam's leadership and constant presence instilled confidence in the young team and inspired them to compete with determination each week.

### **Major Club Milestones:**

During the year Callee Black reached 1000 first grade runs for Penrith. Such a great achievement for someone at still a young age. We look forward to Callee building on this in future seasons and her continued involvement at the Club as a Lady Cat.

Bec Cady also notched up 1000 first grade runs. Some controversy existed around the records as the general feeling was that Bec had passed this milestone some time ago. But in true Penrith spirit, Bec made a return to the team after retiring the season before when we had a number of injuries and put this milestone beyond doubt.

Congrats to both Callee and Bec on these great achievements. They are both stellar leaders within our Club who deserve this valued recognition.

## **WOMEN'S SECOND GRADE**

**by Annabel Batty**

As for most of our squad, season 2024/25 saw come changes in personnel for Second Grade. With only 4-5 regular Second Grade players returning from the previous season and an injection of players from Brewer Shield, we took a young team into the season. It was a season that yielded only 4 wins from 18 games and left us in the same position as the year before – 10<sup>th</sup> place. Looking back at the season, there were six games that, on another day or with a different individual performance, might have gone our way. And with 10 wins, we might have scraped through to the semifinals.

One thing I was extremely proud of with this group was their effort. Never once did they stop giving full effort, which is not easy when results are not going your way. Throughout the season, there was also definite improvement and exposure to higher level cricket for these players, which will only hold them and our club in good stead going forward.

### **Rd 1 Penrith 8/81 (20) def by Parramatta 8/105 (20) – T20**

Normal round 1 match v rivals Parramatta. Parramatta won the toss and elected to bat, with a strong second-wicket partnership getting them over the line. They were 2/78, and then we managed to take 6/27 to restrict them to 105. An amazing 6/10 from three overs from April Darby was the main contributor.

Looking at a total we thought was achievable, our chase was cut short early when three of the top five were dismissed for the addition of just 2 runs. Amelia Crouch (21 off 28) and Kim Butler (18 off 32) were the highest scorers, but we never recovered and were dismissed for 81.

### **Rd 2 Penrith 8/86 (20) def by Sydney 3/87 (17.5) – T20**

At home for the first time of the year up against a formidable Sydney. Electing to bat first, we lost one of our openers early and were a little slow in scoring. Although Makenzie Wheeler (25 off 20) tried to speed up proceedings, we left the middle-to-bottom order too much to do. As a result, we were constantly losing wickets as we tried to progress the scoring.

We knew it was going to take a big effort in the field and while we pushed the Tigers, it was never going to be enough runs. They passed us three down in the 18th over. Natasha Martin (0/5 off 3) and Aanya Singh (2/13 off 3) were the pick of the bowlers.

### **Rd 3 Penrith 10/81 (23.4) def by St George-Sutherland 6/270 (50) – One Day**

A big day in the field! We lost the toss and were asked to bowl on a flat Harold Fraser pitch for our first 50-over game. Isabella Bradley-Labra (3/30 off 10) was the standout where most bowlers struggled to contain the Slayers. One of their players got a run-a-ball hundred as we struggled to keep it straight, offering them an extra six overs in wides and no-balls.

Our chase got off to the worst possible start, with the loss of a wicket on the first ball of the innings. Amelia Crouch (23 off 46) top-scored, and we had only two others go past 10, so we never really got close, dismissed for 81 in 23.4 overs.

### **Rd 4 Penrith 10/210 (49.4) def by Manly Warringah 9/252 (50) – One Day**

We travelled to Manly Oval for our clash against Manly. Winning the toss, we sent Manly in for a game that changed momentum many times throughout the day. The game started evenly with Manly getting to 2/64 before we took two wickets to have them at 4/79. Manly then regathered the momentum with batters 6 and 7 scoring 92 between them. Add to that a contribution of 42 from batters 8 and 9. Our extras reduced (3.2 overs in extras), but we had more to do. Wickets were shared among Makenzie Wheeler (2/28 off 8), Amelia Crouch (2/40 off 9) and Simran Dhatt (2/53 off 10).

Our chase was on track thanks to the efforts of Makenzie Wheeler (92 off 84), but as a team we failed to have any around her. Amelia Crouch (35 off 85) stood strong for a while, but with only one other batter with a score over 10, this was a game that got away from us. We just needed one more individual performance, and we might have been singing the song – but it was not to be.

#### **Rd 5 Penrith 5/108 (20) def Campbelltown Camden 5/102 (20) – T20**

We lost the toss, and the Ghosts sent us into bat. In a similar outcome to the previous week's Manly game, we had one superior performance, with Annabel Batty carrying her bat for a run-a-ball 66. But again we had only 1 other batter with a score over 10, and we scraped to 108. This was a score that in the end would be enough but needed a good bowling performance to defend.

We needed to limit the extras, which we did – bowling only 8 extras compared to their 14. Natasha Martin (0/15 off 4) and Isabella Bradley-Labra (0/22 off 4) got us off to a miserly start, which would help to add some scoreboard pressure in the end. Makenzie Wheeler (1/22 off 3) removed one of their scoring batters early in what turned out to be a good team performance and allowed us to take our first win of the season.

We are the Penrith Lady Cats.....!

#### **Rd 6 Penrith 3/77 (20) def by Greater Hunter Coast 5/124 (20) – T20**

We headed to Newcastle to face a quality Greater Hunter Coast team boasting former First Grade players and a few Pathway players. Greater Hunter Coast elected to bat first, and our bowlers and fielders performed admirably but the opposition at this stage had the upper hand. Kahlan Mouwen 2/25 off three overs was the only bowler to take a wicket with the other three wickets being run-outs, including a direct hit from Jemima Thornton.

We needed a big effort for this run-a-ball chase, facing Greater Hunter Coast's bowling attack, which was one of the best we'd seen all year in Second Grade. Amelia Crouch was the top scorer with 33\* off 46 balls, but the task in the end was too much. There was a lot to learn from this game as we played a quality opponent on the day.

#### **Rd 7 Penrith 8/139 (50) def by Sydney 1/140 (31.3) – One Day**

The task does not get any harder than travelling to Sydney to play Sydney. Winning the toss, we took our chance of putting a score on the board to defend. We lost our first wicket in the 24th over, but we had only managed 62 runs. Some tight bowling really restricted our ability to be able to take on their bowlers. Charlie O'Hare (30\* off 50) managed her highest score in Second Grade, but we failed to put on a decent score.

Sydney managed to pass our score of 139 with the loss of only one wicket in the 32nd over. Conceding only six extras, we managed to keep control of the extras for the second game in a row, which was a positive. April Darby (1/17 off 7) was the pick, but there just weren't enough runs on the board for our bowlers to defend.

#### **Rd 8 Penrith 10/107 (36) def by Bankstown (DLS) 3/88 (27.2) – One Day**

Add a rainy weekend and sprinklers that come on under the covers, and what do you get? A game that is moved from Bill Ball to Rance Oval.

A late start helped a little, but the toss was always going to have an impact on this game. Losing the toss, we were sent into bat. The top scorer for us was extras (27), and we had only two batters into double figures. Annabel Batty (16 off 45) and Yanee Bhatia (19 off 52) were the only notables as we scrapped though to 107.

Rain came and went, but it wasn't enough to stop Bankstown chasing down the runs. Isabella Bradley-Labra (1/19 off 7 overs) and Aanya Singh (1/8 off 6.2) were the pick, but again we failed to help the bowlers by putting on a score that was defendable.

### **Rd 9 Penrith 6/92 (20) def by Sydney University 7/94 (19.4) – T20**

We had a few regular players out for this round and the opportunity was given to Brewer players. With Sydney University sitting below us on the table and knowing the calibre of the players coming in, I had lofty expectations of picking up some points. Unfortunately, in what was an extremely close game, it was not to be.

Winning the toss and electing to bat, we got off to a slow start, but two of our younger players, Japleen Kaur (15 off 30) and Simran Dhatt (43 off 59), put together a nice partnership to get us to 92. This was a score that we should have been able to defend.

It was close, with Sydney University passing us seven down in the last over. Wickets were shared – Amelia Crouch (2/13 off 4), and Teyana La Brooy (2/14 off 4) were the pick. In the end Sydney University was playing tip-and-run cricket, and we were unable to adjust. This was a game that got away from us.

### **Rd 10 Penrith 9/162 (50) def Greater Hunter Coast 10/153 (50) – One Day**

The return leg against Greater Hunter Coast, this time at home, did not see us against the same team as we faced the first-time round. Losing the toss, we were sent into bat. It was an innings that plodded along the entire time. Top scorers were Simran Dhatt (36 off 82) and Amelia Crouch (27 off 94), with Makenzie Wheeler (25 off 22) following closely behind. We got 162, which left us in a position where bowling would have to be good to defend the game.

In the end, it proved enough. Greater Hunter Coast fell 10 short of victory as we bowled them out. As a group we bowled well in this game, and despite the 30 extras, it was one of our better performances. We were led by Natasha Martin (3/21 off 10) and Simran Dhatt (3/38 off 10), along with an amazing five dismissals by our keeper Annabel Batty (2 catches and 3 stumpings).

We are the Penrith Lady Cats.....!

### **Rd 11 Penrith 7/59 (20) def by Manly 3/60 (16.2) – T20**

Back at home for a double-header with Manly. After the previous loss to Manly with them batting first, we won the toss and elected to bat.

Aanya Siingh (23 off 25) started us well at the top, but once she was dismissed, there wasn't anybody else that got into their innings. We scrapped to 59 off our 20.

Manly was always in control of this game from here on in, but we did manage to push them. Natasha Martin (1/5 off 3.2) was the leader of the attack this week, supported by Makenzie Wheeler (2/10 off 2). It took them to the 16th over to achieve the target as we bowled and fielded well. Although there was not a lot left on the field, a couple of more wickets at crucial times might have seen a different outcome.

### **Rd 12 Penrith 5/102 (20) def by Gordon 6/122 (20) – T20**

Gordon won the toss and elected to bat. Simran Dhatt (3/14 off 3) bowled some tough overs in this game and did an excellent job for us. There were a couple of early dropped chances, which meant we missed the chance to really sink our teeth into the Gordon batting line-up. Batters 3 and 4 put on 62, but both were dropped early in their innings. Not much was added by others.

It meant another run-a-ball chase for us, which we were not up to. Makenzie Wheeler (33 off 25) helped the momentum of our innings after a slow start. Once we lost Makenzie, we could not find someone else to keep up the chase, falling 20 runs short.

### **Rd 13 Penrith 7/218 (50) def Northern District 10/136 (37.5) – One Day**

Asquith was the next venue as we took on NDs. Choosing to bat after winning the toss, we saw a great partnership of 154 for the 2nd wicket between Annabel Batty (78 off 95) and Aanya Siingh (55 off 112). With a couple of others chipping in, we had a score that our bowlers could defend.

Defend they did, bowling out NDs for 136!

NDs got off to a great start, losing their second wicket at 90 runs, but we then had them six down for 99 in a purple patch for our girls. In only her second game in Second Grade, Japleen Kaur (2/11 off 5) took the most wickets, with four others taking a wicket each. It was a real team performance, which included 4 run-outs.

We are the Penrith Lady Cats.....!

#### **Rd 14 Penrith 6/148 (50) def by Parramatta 2/151 (25.5) – One Day**

We returned home to take on rivals Parramatta and try to right the wrongs from Round 1.

We won the toss and elected to bat, managing to get through our 50 overs but without achieving the total we had in mind. Evergreen Kim Butler (31 off 46) was the top scorer, with a handy knock from Sukhmandeep Dhaliwal (21\* off 30) getting us to a total of 148.

We needed a big performance again with the ball, but unfortunately, we put together our worst performance all season. Parramatta's opening batter scored 106\* off 97 to get them home in the 25<sup>th</sup> over, but we continually bowled to her strengths, and we could not get away from it. Lessons learned and we move on.

#### **Rd 15 Penrith 1/215 (50) def by Campbelltown Camden 6/216 (47.4) – One Day**

This game would offer the best batting display from an individual I have seen in Second Grade. In what was a chanceless innings to 100, Annabel Batty (134\* off 168), carried her bat in an all but perfect knock. Campbelltown had some good opening bowlers, and Annabel managed them with ease and then really progressed the innings.

Outstanding AB!

In many of our games this season, we didn't have enough runs to defend, but today we did and it was an opportunity we missed. Although I cannot recall too many chances put down, 46 extras bowled is not good enough. The Ghosts passed us in the 47<sup>th</sup>, and by that time we had bowled seven extra overs. Yanee Bhatia (2/34 off 10) led the wickets, but extras were shared among all bowlers. One that got away.

#### **Rd 16 Penrith 10/132 (49.4) def Gordon 10/111 (34.4) – One Day**

Another toss won, and we had another bat. Annabel Batty (38 off 98) and Simran Dhatt (27 off 46) led an innings that really lacked any potency. Scoring was slow, but we managed to scrap to the 50 overs.

Starting with extras, there was a massive improvement with only 11 in a game that was won by our bowlers. Natasha Martin (3/12 off 8.4) had her best return for the year to that point and got us off to great start. She was then asked back at the perfect time to help close the innings. Tash was supported by Isabella Bradley-Labra (3/17 off 6), and we managed to roll Gordon for just 111.

Special mention to our captain Annabel Batty, who was spot on with her bowling rotations in this game and a big contributor to us winning this match. More to come on AB later.

We are the Penrith Lady Cats.....!

#### **Rd 17 Penrith 10/102 (38) def by Sydney University 10/171 (46.5) – One Day**

We made the trip to the beautiful Uni No 1, losing our first toss for a while and being asked to bowl.

We bowled out Sydney University, with Amy Corbett (4/20 off 9.5) in the wickets and Natasha Martin (4/38 off 10) backing up from last week.

This was a score that we were confident in chasing down, but we did not get off to a great start at 3/36. Amelia Crouch (33 off 93) was the top scorer and Arika Singh (19 off 50) was the next best, but the regular loss of wickets meant we never gained any momentum in the innings and were dismissed for just 102.

### **Rd 18 Penrith 10/75 (37.3) def by UTS North Sydney 3/76 (24) – One Day**

The last round of the year saw us up against the eventual winners of the Second Grade competition. This was a team that needed bonus points against us to even make the semifinals – a feat they managed, taking two bonus points.

At home and asked to bat first, we were dismissed for a poor 75 runs. Amelia Crouch (22 off 87) was the top scorer.

The Bears came out hard with the bat and dominated us, chasing down the total in 24 overs. Isabella Bradley-Labra (1/7 off 4) was the only wicket taker.

We saved the worst to last with both bat and ball.

This report isn't great reading from a team results perspective, but there were improvements in the teams and individuals that can't be written down in statistics. As I said at the start, this was a young team when compared to others in the competition, and this will only hold each of us in good stead for the future.

No matter who was in the team from week to week, this group of girls turned up and tried their guts out each week. It is never enjoyable losing often, but I can say that spending the day with these girls was never a chore. I hope each of you enjoyed the season as much as I did, and next season our results will be better.

Thank you to the parents who helped with scoring (when Cath was not there). Thanks also for your universal support in allowing your daughters to play at this great club. I know many of you offered help throughout the year and whenever it was called on, it was never a problem.

I promised there would be more on Annabel Batty. This year AB was our captain, our keeper and our opening batter. She was also our leading run scorer and finished third in the runs for the Second Grade competition overall. This was a big load to take on, but not once did AB shy away from any of the workload. AB's batting speaks for itself, but I did want to make a special mention of her leadership this year. I have been around this game for 30+ years, and I too am still learning the game. There has been great improvement in AB's tactical game over this year. I mentioned earlier the game against Gordon, in which AB's tactics played a big part in us winning the game. There were also other games towards the end of the season that AB kept us in. AB did a job for us this year, and I don't underestimate it. Well done AB on a great season with more many more to come!

One more for Cath – you are the person that keeps the heart pumping at this club. You do an immense amount of work behind the scenes, unseen by most, that allows the coaching staff to concentrate on exactly that – coaching. A personal thank you on top of that for coming down and scoring most weeks for Second Grade and helping – it is much appreciated.

One final note to the girls – stay strong girls, keep working hard, and results will come our way. We have a foundation to build on here at Penrith, and things are looking bright for the future.

I look forward to seeing everyone back for an improved season in 2025/26.

### 5 Wickets in an Innings

April Darby      6/10   V   Parramatta

## **BREWER SHIELD**

**by Glenn Bradley**

After a promising 2023/24 season in the Brewer Shield and a solid pre-season that started in June, the 2024/25 Brewer girls hit the ground ready and raring to go. We had a new injection of young players mixed with a little bit of experience at Premier Cricket level, so all would be told in the way the team would be able to develop together as a team. What would play out over the course of the season is really pleasing to now be able to look back on and reflect on what we were able to achieve.

Again, like the previous season, we took a young squad into the season, maybe even younger than the previous season, and were regularly playing against teams much older and more experienced at Premier Cricket level than us. To now be able to say we qualified in 5<sup>th</sup> spot and play in an Elimination Final is so pleasing for me as a coach to see how far we have come as a squad.

### **Rd 1 Penrith 7/81 (20) def by Parramatta 1/84 (10.5) – T20**

Our traditional Round 1 fixture against Parramatta at Merrylands Oval did not play out the way we had hoped. Winning the toss and opting to bat first, our innings never took off and we lost regular wickets and our scoring restricted. Yashika started the season well as one of our openers, scoring 21 and Charli batted really intelligently for 28 to finish off our innings on 81. Parramatta then scored at will passing our score in just over 10 overs, Karly taking our only wicket. A few lessons were learnt about the standard needed to compete at this level.

### **Rd 2 Penrith 4/118 (20) def Blacktown 8/76 (20) – T20**

Back at home for the first of our club triple headers, this time against Blacktown, our local rivals. Again, we won the toss and batted first and batted steadily throughout the innings without really taking their bowling apart. At 4/62 in the 15<sup>th</sup> over, we were looking at maybe scratching to 90-100. Japleen and Lucy had other ideas and went up a few gears to score 56 runs off the remaining 32 balls after the fall of the 4<sup>th</sup> wicket to surge us to 118. This would be far too many for Blacktown to chase down with our exceptional bowling and catching. Our two leg-spinners – Kahlan, 3 wickets, and Aleena, 2 wickets – were the pick of the bowlers. First win of the year in the bank!

### **Rd 3 Penrith 2/185 (39) def Sydney 10/184 (48.1) – One Day**

We played our first one-day format game in Rd 3 against a club that always produces quality Brewer teams, Sydney. Sydney batted first and cruised their way to 69 before the loss of their first wicket in the 18<sup>th</sup> over to Sragvi. From that point, our bowlers really turned the screws for the middle part of the innings to restrict their scoring. Sydney got away from us a bit to be eventually bowled out for 184 in the 49<sup>th</sup> over. Again, our spinners did the damage, Kahlan with another 3 wickets, Sragvi and Yashika with 2 each. In response, our batters completely dominated their bowling right from the outset. With Emma hitting a beautiful shot for 4 in the first over and then Yashika whacking her very first ball for 6, we settled and played beautifully to pass their score in the 39<sup>th</sup> over. Emma, 59, Yashika 57, Japleen 42\* and Manorath 14\* did the job for us to pass their score 2-down and secure us a bonus point win.

### **Rd 4 Penrith 10/139 (43.5) def by Southern Swans 5/140 (30.1) – One Day**

This game was a lot tighter than the score line suggests. We fielded a couple of young debutants this game – Anna Vashisth and Nandhiga Pandian – from our junior pathways. Batting first, we lost two early wickets to have us on the backfoot. From this point, Japleen was able to bat through this tough period and forge some valuable partnerships with Lucy (31), Manorath (32) and Sragvi (54). Japleen batted supremely to finish on 74\* and show us all her potential. We went out to bowl and were able to pick up regular wickets along the way to have them at 5/97. We knew that one more wicket would break them open, and we would likely go through their tail pretty quickly. It wasn't to be, and they passed us 5-down. Despite losing the game, there were real positives out of the game with Japleen's innings, partnerships in the face of a lot of pressure and two young Penrith locals debuting and performing well.

#### **Rd 5 Penrith 1/95 (14.5) def Campbelltown Camden 6/94 (20) – T20**

Back for the first of 2 T20 games again, this one against a team we were expected to win and win well against. Campbelltown batted first and to their credit batted well at the start of their innings. However, our bowling eventually got on top of them, and we restricted their score to 94 off their 20 overs. We then did the business with the bat, topping their score in the 15<sup>th</sup> over, only losing 1 wicket. Top performers were Grace and Teyana, 2 wickets each, Emma 45\* and Japleen 36\*. A solid performance, which really gave the girls belief that we would be very competitive in this competition.

#### **Rd 6 Penrith 8/75 (20) def by Gordon 5/76 (16) – T20**

This game would be a test of our credentials as a contender against the top-of-the-table Gordon side – a side brimming with experience and older players in general. We were down a few of our main squad with Karly, Emma and Olivia unavailable, so we again were able to give opportunities to Anna and Nandhiga, and we had young Matilda Lett making her debut. Asked to bat first, we just lost wickets too regularly to post anything like we were hoping. A promising innings from Manorath (23 off 28 balls) was the shining light. I asked the girls to go and attack them and that they did. Grace bowled their captain with the first ball of the innings, and we were on top to have them 3/12. However, some inexperience with the bowling and field placings then gave them an opportunity to score quickly, with their number 5 scoring 24 off 13 balls and basically taking the game away from us. One wicket each to Grace, Teyana, Aleena and Manorath. The girls never gave up, though – which held us in good stead for the remainder of the season.

#### **Rd 7 Penrith 10/166 (44.1) def UTS North Sydney 10/72 (25.5) – One Day**

Back to our favoured 50-over format, we batted first and steadily throughout our innings but again lost regular wickets that really stopped us posting a 200+ score. Aleena, opening the batting, batted aggressively to score 38. Lucy in the middle order with 20 and Olivia with 29 at the back end of the innings were our main scorers to get us to 166. This was always going to be enough if we bowled to our potential, and that's exactly how it played out. Our bowling just suffocated them throughout the whole innings with each bowler bowling well. Yashika was the standout with her first 5-fa for the club, taking 5/20 off 5.5 overs. Manorath again bowled beautifully taking 3/5 off 5 overs. It was a dominant performance to secure us 2 bonus points.

#### **Rd 8 Penrith 10/144 (49.2) def Blacktown 10/52 (25) – One Day**

Another game against our nearest rivals, Blacktown, this time in a 50-over game. Asked to bat first, we again lost wickets regularly to some good bowling and also to some silly mistakes with our shot selection and running between wickets. Aleena again showed her potential as an opening batter, scoring a quick 21 (29 balls). Lucy in the middle order batted with determination and Charli and Olivia towards the back end of our innings got us up to 144, which was going to be difficult to defend on a quick outfield. I shouldn't have doubted our bowlers though, as they destroyed Blacktown to bowl them out for 52 and secure us another 2 bonus points. Manorath bowled incredibly well taking 4/12 off 8 overs and Charli showed her experience to take 3/9 off 5 overs. Great win and always good to beat the local rivals.

#### **Rd 9 Penrith 5/87 (18) def Sydney University 6/86 (20) – T20**

After some confusion around CNSW's heat policy, we got started a bit later than normal with Syd Uni batting first. They got away to a solid start to get to 0/35 off 9 overs with some batting power to come. We were slightly worried at this point – enter Yashika. In her first over, Yash took 3 wickets and put an end to their charge (Yash ended up taking 4/11 off 4 overs). Syd Uni ended their 20 overs on 86 with us in the box seat. Again, though, we lost wickets and could not get going. At 3/18, we were in real trouble, but Simran and Manorath were able to steady the ship, while also managing to keep the scoring rate up. We were able to pass their score in the 18<sup>th</sup> over to get us the win. Simran (31 runs) and Manorath (26 runs) were the standout batters.

#### **Rd 10 Penrith 6/159 (49.3) def St George-Sutherland 8/158 (50) – One Day**

This was going to be a tough game without Teyana as captain, but we were lucky to have Emma step in as captain in Tey's absence. The Slayers are a great team and batting first, they built their innings nicely despite our tight bowling. Manorath (3/16) and Aleena (3/26) were the pick of the bowlers, but the whole team bowled well as a unit. We went about constructing our innings to chase down their target, but regular wickets didn't help. Japleen held her nerve and batted through the tough period. At 5/63, however, we thought it would be tough to score the remaining 90-odd runs needed to win. Japleen and the middle order dug deep though and batted out of their skin. In a thrilling contest, Yashika hit the winning runs in the last over of the match after putting on 20 with Sukhman to steer us home. Japleen (68 runs) and Sukhman (29\*) were the standouts as they shared a 76-run partnership. Wonderful win against the 2<sup>nd</sup> placed team.

#### **Rd 11 Penrith 9/74 (20) def by Manly 5/111 (20) – T20**

This was the last game pre-Christmas, a club triple-header, and also our Junior Girls Day at Howell – a lot going on this day! We bowled first against a strong Manly side and just didn't hit the heights of recent games with our bowling. Manly were able to consistently score runs for most of their innings, but we did pull them back at the end of their innings to hold them to 111 when they were looking at 130+. Our batting never really got going and we lost by a considerable margin. Not the way we wanted to go into the Christmas break, but we were still sitting comfortably in the top 6 with all to play for after Christmas.

#### **Rd 12 Penrith 2/97 (21.2) def Bankstown 10/96 (37.5) – One Day**

In our most dominant performance of the year, the Brewers flexed their muscles against finals contender Bankstown in emphatic fashion. Being asked to bowl first, our bowling and fielding was first class from the outset, highlighted by Tey throwing down the stumps from the boundary to run out their best batter for 2. All bowlers bowled beautifully with the wickets shared around.

Special mention to our two opening bowlers though – Grace (2.9 off 6.5 overs) and Manorath (2/8 off 6 overs) – who really set the tone for the day. Our top order then did the business with a minimum of fuss, scoring the winning runs in the 22<sup>nd</sup> over losing only 2 wickets. Emma (23 runs), Aleena (36), Japleen (24\*) and Lucy (7\*) all contributing to our double bonus point win.

### **Rd 13 Penrith 10/92 (50) def by Greater Hunter Coast 8/93 (48.3) – One Day**

Our most frustrating game of the season – by far! The ground was sub-standard, the pitch was up and down all day, and after out playing them for all but the final 15 overs of the match, we somehow lost the game. Batting first, we battled *REALLY* hard for our whole innings when scoring was so hard. To give context, the only boundary for the entire match was to hit the winning runs in the 99<sup>th</sup> over of the match. We were bowled out on the last ball of the innings for 92. Emma played a determined innings for 27 which would easily have been 70 or 80 on any other pitch/outfield. Olivia also played a valuable knock at the end of our innings. We stayed positive in the break and the messaging was that if we executed our bowling plans, 92 would be enough to win. That we did – for 36 overs! We had managed to restrict them to 6/46 off 36 overs and were looking good for the win. However, our execution wasn't quite as good for the last 14 overs, and we let them back in with some poor fielding. Hunter passed our score in the 49<sup>th</sup> over after doubling the score in the last 13 overs of their innings. We were pretty flat after that one, but needed to lift ourselves for the last 2 games and into finals.

### **Rd 14 Penrith 10/153 (49.5) def by Campbelltown Camden 8/161 (50) – One Day**

Needing to win the last 2 games to secure a home final, or possibly even a top 2 finish and a week off for week 1 of finals, we were to play the bottom 2 sides in the last 2 rounds. In a bitterly disappointing day for our team, we lost a game we should never have lost. We just played so tentatively and without conviction for the whole day and let a team who were nowhere near as good as us dictate the game. We bowled first, with the opening pair putting on 111 for the opening stand. Our heads were low and energy even lower. At one of the drinks breaks, some strong messaging was given and the girls managed to finish off the innings on a high, taking multiple wickets that were hard to come by before. Without our regular opening batter Aleena to open, we had to reshuffle the order. It wasn't to be, and we were never really in it until Manorath discovered her power hitting and took it to their bowlers. In the end, we fell only 8 runs short, thanks to Manorath and Yashika's 41-run stand. Manorath ended up on 53 and showed her potential with the bat.

### **Rd 15 Penrith 7/100 (40.5) def Northern Districts 10/99 (40.1) – One Day**

The last regular-season game against the team that had yet to win a game all season. The result in the end went our way, but our cricket was showing some signs of tiredness and lack of desire to contest. We bowled NDs out for 99 through some good bowling performances (Grace 3/2 off 7.1 overs, Manorath 2/12 off 8 and Charli 2/17 off 6), but our fielding and game awareness was way off. Out of their 99, one player scored 61 herself with us not being able to manage that situation and keep her off strike to attack at the other end. Our batting was again very tentative and showing no willingness to take the game on and look to score. Plenty of players got starts, but none went on with it. Olivia, standing in as opening batter, scored 34 off 128 balls. We got the win, though, which qualified us to play finals from 5<sup>th</sup> spot – a fantastic achievement for this young team.

## **Elimination Final – Penrith 8/145 (50) def by Manly 3/147 (27.5) – One Day**

We met Manly in the Elimination Final with the winner progressing to play Gordon in the Semi Final. We won the toss and batted first but lost a couple of early wickets to have us in trouble at 2/11. Japleen and Lucy then steadied the ship for us to take us to 60 before Lucy departed. Our innings then almost halted and our scoring completely stopped. We lost our intent to score and back our abilities to play our shots. It wasn't until Karly came to the crease to join Charli that we really showed Manly our aggression. Karly played with real power and intent to score 29 off 23 balls and really give our innings some substance. Charli played the perfect role, turning over the strike while also putting away bad balls. Our score of 145 was under-par, but again, like all games, our bowling was key to winning us a game. Unfortunately, our bowling was off today, and they scored the runs easily in the 28<sup>th</sup> over. A disappointing end to our season, but still a great achievement to get there and build towards next season.

The Brewer season was, when all is said and done, an enjoyable and rewarding one to be a part of. Each of the players that played this season, whether it be for one game or every game, all played a part in shaping the team success we enjoyed. Our team culture was like none other I have been involved in, considering the differing backgrounds and ages of the girls that played. If someone had asked me prior to the season where I thought we'd finish, I probably wouldn't have said, if I'm honest, so to achieve that was very special. I hope the players all took a lot of this experience about what it takes to compete at this level and grow into better players for Penrith next season.

Again, we were blessed with an amazing country contingent in our team – Emma, Karly, Lucy, Olivia, Simran – whose commitment and dedication to our team was incredible. To them, and all their wonderful parents, thank you so much for your commitment and value you bring to our team and club.

Our coaching team of Craig, Grossey, Shayne and Bec are so good to work with and thank you for all your support this season and well wishes as we pressed towards finals. I'm sure each of our players all learnt something from each of you that made them better players and club members.

To all the parents of our players, thank you so much for all your support, offers of help, and game day support for me. Our team's success is due in part to this support, and I hope it continues to be the case in the seasons to come. The pleasing part is that all the parents are genuinely pleased and happy for other players successes, not just your own daughter. That attitude feeds down to the players and is something that I am really proud of.

To the Brewers players, well done on a fantastic season. Everyone contributed at some point along the way and is the reason why we were such a hard team to play against. The on-field successes were only one part of why I was so proud of the team. At the turn of the season at Christmas, we were out in front of all other Brewer sides in the Spirit of Cricket voting from the umpires – which in some way I am prouder of than our wins. A perfect example of this was the wonderful feedback we received from Hunter with the compassion and care you all showed towards their player that was struggling while batting. Putting all the on-field stuff aside, this is what makes a club so wonderful to be a part of, so thank you all for that.

Again, to Cath – you are the glue that holds us all together as a club and we are forever indebted to the work that goes on behind the scenes to get our girls on the park. From looking after the Panthers carpark, to ensuring our players all look good in their new uniforms, to dealing with dispensations and CNSW in general, to organising online meetings with potential overseas players, to then housing international players – there's nothing that can be said that truly reflects my thanks to you for all this effort.

I look forward to seeing everyone back for a bigger and better season 2025/26.

## **TREASURER'S REPORT**

**by Leanne North**

Some key points to note from the 2024/25 Financial Statements:

1. Following an operating loss last season of \$75k, this year we recorded a small operating profit of \$7k. This was in part due to the timing of the wicket subsidy grant we receive from Penrith Council, increased sponsorship revenue and timing of sponsorship payments to align with our financial year
2. The canteen returned to profit with gross profit from trading of \$22k v a trading loss last season of \$4k. This was driven by improved reporting and an increase in sales
3. The club holds a separate account for its Long Service Lease provision, this needs to be topped up by approximately \$15k next season to ensure the club has sufficient funds upon the retirement of staff
4. Following an audit of the accounts, the auditors have identified some adjustments are required to our reporting of income for the purpose of our GST payments. This will likely result in an additional GST payment of approximately \$5k. This will be reviewed with the bookkeeper prior to payment.

## **MANAGEMENT COMMITTEE**

The Management Committee met on 10 occasions from July, 2024 to June, 2025.

Attendance was:

- |    |   |
|----|---|
| 11 | Paul Goldsmith, Geoff Sullivan  |
| 10 | Cam McLean, Wyatt North,  |
| 9  | Catherine Pratt, Matthew Halse, David Gardner, Leanne North, David Taylor |

## **SPONSORS**

On behalf of the club I'd like to extend our heartfelt gratitude to our generous sponsors. The support they offer has been instrumental in our journey, enabling us to grow and thrive in Sydney Premier Cricket. Their contribution not only aids in the development of our players but also strengthens our involvement in the local cricket community.

With their support, we are able to provide essential resources and opportunities that enhance our training programs and competitive performance.

We acknowledge the generous support of all our Sponsors and we are particularly grateful to the Major club Sponsors, **Penrith City Council** and **Panthers**.

We also acknowledge the generous support of our other major sponsors **The Hix Group, G3 Fitness, Peter Betros @ Property Central** and **Southlands Shopping Centre**.

To Harry Solomons of **Kingsgrove Sports**, your continued support of both the Club and cricket more broadly is greatly appreciated. We look forward to working together again in the coming season

If you are on the lookout for any services that our sponsor's cover please give them a call.

Thank you once again for supporting our club and players and investing in the future of cricket in Penrith. Your partnership is invaluable to us, and we look forward to continuing this journey together.

## **CAPTAINS**

Many thanks to the following Captains for their commitment and leadership of our teams during the 2023/24 Season:

|                       |                 |

## **GROUNDS**

I'd like to thank and recognise the great effort our two groundsman put into getting the grounds ready each weekend. Brian Cameron and David Hinkley work exceptionally hard to present the grounds in the best possible condition they can for games. Many other clubs operate with a team of ground staff so the work Brian and David do is considerable. We do have some planning to complete in the short term as our wicket squares are aging (Howell Oval is now over 50 years old) and it takes a considerable amount of money and planning to renovate the squares. We are very fortunate to have groundsman as part of the club structure and I know they view themselves as more than just employees, they are proud to be part of the club.

I personally would like to thank them for making my life easier and look forward to a great season ahead.

## **UMPIRES**

Our thanks to the NSW Cricket Umpires Association for its commitment throughout the Season. Umpiring can be a thankless task and without them we would not have a game to play. For many years now all men's grades on a Saturday have had a full complement of umpires, including the Metropolitan Cup competition.
